**THE FIFTY-FOURTH REPORT**  
OF THE  
DEPUTY KEEPER OF THE PUBLIC RECORDS  
AND KEEPER OF THE STATE PAPERS  
IN IRELAND.

TO THE MINISTER FOR JUSTICE, SAORSTÁT  
ÉIREANN.

I respectfully beg to submit my Report, pursuant to the 24th section of the Public Records (Ireland) Act, 1867, on the proceedings had during the year 1921 in connection with the Public Records of Ireland.

1. On the 31st August, Mr. M. J. McEnery retired from the post of Deputy Keeper, a position which he had held from August, 1914. He was successful in the competitive examination for Class I. posts in the Civil Service held in 1881, and entered the Public Record Office in January, 1882. He became Assistant Keeper in 1911; on Dr. Berry's retirement in 1912, he was promoted to be Assistant Deputy Keeper; and on the retirement of Mr. Mills, was appointed to the post of Deputy Keeper. During his long service of nearly forty years he did very valuable work, and his knowledge of palæography and of the ancient records, acquired during his service in the Public Record Office, was very considerable. The two outstanding works of his are the Calendar of the Christ Church Deeds, a collection of original Bulls, Grants, Deeds, and other documents of great historical interest, and the Catalogue of the Pipe Rolls of the Exchequer from Henry III. to Edward III. The latter, in particular, has been the means of making public many interesting details of economic history and most valuable information as to the extent and power of the Government in Ireland during that period. These works are now of the greatest importance owing to the destruction of the original Deeds and Rolls in June, 1922. His extensive knowledge of the Irish language, antiquities and history gained for him the honour of being elected President of the Royal Society of Antiquaries of Ireland (1920-1923). It is hoped that he will be able to employ his leisure in doing further service to the cause of Irish history, for which he is so well fitted.

2. His Excellency the Lord Lieutenant, on the recommendation of the Master of the Rolls, appointed Mr. Herbert Wood to the vacancy caused by Mr. McEnery's retirement, Mr. James F. Morrissey, Assistant Keeper, to be Assistant Deputy Keeper,

and Mr. Thomas J. Morrissey, senior First Class Clerk to be an Assistant Keeper. The second Assistant Keepership created under the reorganisation scheme was given to Mr. Charles J. MacGarry, LL.D., Class I. Clerk in this Office.

3. The Government of Ireland (1920) Act, 10 & 11 George V., c. 67, came into force in 1921, but did not immediately affect this office as, under Section 9 of the Act, it was a reserved service. By Section 45, however, the jurisdiction affecting Public Records was transferred from the Master of the Rolls to the Lord Lieutenant, and thus a connection, which had existed ever since the formation of this office, was brought to a close.

4. The fees chargeable in this office were up to 1921 regulated by the order of the Master of the Rolls, made on the formation of the office in 1867. By a letter of the 20th January, 1921, the Lords Commissioners of the Treasury approached the Master of the Rolls on the question of increasing the fees chargeable in the Public Record Office. After some correspondence, the Master of the Rolls agreed to a new table of fees and the Commissioners of the Treasury assented to the same by Letter of 22nd June. The proposal to make Statutory Rules under section 17 of the Records Act was notified in the *Dublin Gazette* of 8th July, and on the 26th August the Master of the Rolls made an order that the Rules and Regulations as set forth at foot of said order should be substituted for the existing Statutory Rules and Regulations; and should come into force on the 1st day of September following. This was done and a copy of the Table of Rules and Regulations so made will be found as Appendix I. to this Report.

5. By a Treasury Letter of 10th April, 1920, Heads of Departments were asked to prepare schemes of reorganisation in accordance with the terms of the Report on the Organisation &c., of the Civil Service, dated 17th February, 1920, presented by the Joint Committee of the National Council for the Administrative and Legal Departments of the Home Civil Service. After much time taken in consultation with the Treasury and discussions with the Departmental Whitley Council, a scheme was finally agreed to by the latter.

The consent of the Commissioners of the Treasury was given by letter of 10th October, 1921, and by a letter of 2nd November the Lords of the Treasury informed the Under Secretary that they had agreed to the reorganisation scheme for the Public Record Office taking effect as from 1st April, 1921.

6. On account of the importance of the work performed by the Lower Clerical (late Supplementary) Clerks in the Search Room of the Record Office and in the Record Tower, the Treasury authorised two sums of £50 each, unpensionable, to be divided amongst such of the clerks as should be performing those duties.

7. Their Lordships approved of the appointment of Messrs. Hugh Doherty, Joseph McDonald, James Edward Fleming, James Alexander Williams, and William John O'Kelly, temporary Copyists, to be established Copyists, but stated that they were not prepared to authorise the creation of a permanent grade of male copyists in the office, and considered that, as vacancies arose, they should be filled by the substitution of either women typists or writing assistants.

The necessary certificates had not been issued by the Civil Service Commissioners at the end of the year. Mr. D. P. McDonald retired on 2nd December from the post of Copyist through ill-health before his case had been decided.

8. By a letter of 18th November, the Treasury sanctioned the assimilation of Messrs. James McLoughlin, John Cassidy, David Evans, James Golden, temporary workmen, and Laurence Hatch, cleaner, to the new Dublin scale of 18s. by 1s. to 22s. a week, plus Civil Service Bonus, for subordinate male employees, on condition that they be under obligation to work up to forty-eight hours a week, if and when required, without additional remuneration.

9. Thomas Coyle was appointed Second Class Searcher in the month of June.

10. The Treasury having sanctioned the expenditure of a sum not exceeding £50 for protective clothing for the foreman, searchers and workmen, the same was provided by the Stores Department of the General Post Office.
