Chairperson's Statement

Throughout 2016, Pobal worked with our key strategic partners to improve the opportunities for people experiencing disadvantage and social exclusion and supporting the quality and administration of early years.

Seamus Boland,
Chairperson

There was an increase in the amount of grant funding which Pobal administered on behalf of Government Departments and EU Bodies with €428.4 million distributed throughout 2016 across 24 individual programmes.

During the year, the programmes we manage impacted directly on communities across the country, for example 47,511 individuals and 3,076 community groups were supported via the Social Inclusion and Community Activation Programme (SICAP), 29,025 disadvantaged families availed of reduced childcare fees, while 4,690 early years services were assisted.

Such continued growth is testament to the track record Pobal has in delivering high quality programmes which achieve tangible results for both individuals and communities. Our role in assessing, evaluating and implementing programmes in a timely manner, while also ensuring value for money, is recognised across the sector.

The true impact of our work is visible when meeting with communities across Ireland who engage in the programmes we support. In 2016, the Board of Pobal visited and met with a number of community groups in Limerick across the social inclusion, local development and early years sectors.

Central to our work are these local groups and the partnerships with which Pobal engages and I would like to mention in particular the staff, volunteers and board members of these organisations who work tirelessly for their local community.

I would also like to acknowledge the support that Pobal receives from the Department of Housing, Planning, Community and Local Government; the Department of Children and Youth Affairs; the Department of Social Protection; the Department of Arts, Heritage, Regional, Rural and Gaeltacht Affairs; and all other Government Departments and Agencies.

The Board of Pobal, both new and retiring, also deserve a special thanks. Their commitment and dedication to Pobal and community development is to be commended. Each member, gives freely of their time for no monetary compensation.

Pobal experienced continued expansion in 2016 and I would like to thank CEO of Pobal, Denis Leamy and the wider Executive Management Team for their ongoing leadership and commitment during this period. Finally, I would like to express my appreciation to each and every staff member for their hard work and dedication throughout the year.

In conclusion, with continued Government focus on developing strong and vibrant communities, I believe that Pobal has a central role to play in improving the opportunities for communities across Ireland and our dedication to this continues.

Chairperson, Pobal

CEO's Statement

With greater recognition of the impact community support can have on people's everyday lives, I am proud of the role Pobal continued to play in 2016 in counties across Ireland.

Denis Leamy,
CEO

Working on behalf of Government departments and in partnership with local groups across the country, the programmes we support successfully assisted thousands of communities, creating employment, assisting projects of civic benefit and providing childcare services for families.

In addition to this, Pobal has continued in its role of identifying crucial information and outcomes from our work which contributes to Government policies and facilitates better planning for future initiatives.

In November, over 150 people attended the Pobal Labour Market Conference on creating a more inclusive labour market. Opened by the then Minister for Social Protection, Leo Varadkar, the conference explored themes such as targeting disadvantaged groups and the role of Local Authorities in the labour market.

Other highlights of 2016 include -

Tackling poverty and social exclusion

Pobal's services on behalf of the Department of Housing, Planning, Community and Local Government supported the Social Inclusion and Community Activation Programme and Scheme to Support National Organisations (SSNO).

- 2016 was the first full year of delivery for the Social Inclusion and Community

Activation Programme (SICAP) and to date 47,511 disadvantaged individuals have been engaged with on a one-to-one basis; 30,206 individuals have received employment supports; 5,752 individuals have progressed to self-employment and 3,082 local community groups have been assisted.

- 151 applications were received under the SSNO 2016-2019 Programme and appraised, with 71 of these being successfully brought into contract with Pobal.

Employment Activation

Pobal's work on behalf of the Department of Social Protection represented an investment of almost €214m into services and local communities during 2016 through the Community Services Programme, Rural Social Scheme, Tús and Gateway.

In 2016 the Community Service Programme (CSP) allocated over €41 million to 406 beneficiaries creating thousands of jobs in towns and villages across the country.

Social Inclusion in Rural Areas

- In August, Pobal launched Phase 1 of the new ICT system for the LEADER programme on behalf of the Department of Environment, Community and Local Government (now Department of Arts, Heritage, Regional, Rural and Gaeltacht Affairs).

Early years and young people

Pobal's work to support the Department of Children and Youth Affairs to improve the outcomes for children and young people in Ireland represents an investment of €197.8m, with an additional €6.4m investment into the ABC programme which is also part-funded by The Atlantic Philanthropies.

In November, Pobal launched the Early Years Sector Profile Report for 2014/2015. This report has become established as a definitive source of information on the Early Years sector in Ireland and was formally launched by Minister Katherine Zappone at the National Early Years Forum.

Through targeted early years services, 121,073 children were registered in child centred programmes on the PIP system; 23,200 families availed of reduced childcare fees; and 4,419 individual early years services were supported.

Services under Better Start, a national initiative to bring an integrated approach to Early Years Education and Care for Children aged from birth to six years continued to expand in 2016.

These highlights are an insight to the impact of Pobal's work within communities across the breadth of Ireland. Our role, in partnership with Government Departments and funders, is far reaching, from supporting the provision

of targeted early years services for the youngest members of society to supporting local employment and providing alarms to elderly people living alone.

None of our work would be achievable without the dedication and commitment of Pobal staff who work tirelessly to improve opportunities for communities every day. I would like to express my personal thanks to each staff member for their continued hard work.

I would also like to take this opportunity to thank the Board of Pobal who give of their time voluntarily and our Chairperson Seamus Boland, whose guidance and support is greatly appreciated.

As CEO I am very proud of the work we do on a daily basis and I know that as we continue to grow and adapt to meet the requirements of Government we have the expertise and people needed to support communities long into the future.

Denis Leamy
CEO, Pobal

Profile of our Funders

Department of Housing, Planning, Community and Local Government (DHPCLG)

A key principle for the DHPCLG is to enable communities to identify and address social and economic issues in their own areas. In particular, they support communities that are vulnerable, disadvantaged or under threat and adhere to the values of local participation.

Pobal's services on behalf of the DHPCLG represented an investment of €7.4 million into services and local communities during 2016 through the following programmes:

- Scheme to Support National Organisations (SSNO); and
- The Seniors Alert Scheme (SAS).

In addition, Pobal played a significant role in the delivery of the Social Inclusion and Community Activation Programme (SICAP) in 2016, while not managing the programme funds.

Pobal's Role

- Ensured that the design and rollout of these programmes was coherent, consistent and adhered to the set criteria of the programme
- Developed business systems to support the delivery of the programmes
- Arranged nationwide information workshops to explain application criteria to potential applicants and offered an advisory service for any follow up queries
- Assessed applications received for these programmes and made recommendations to the DHPCLG (formerly Department of Environment, Communities and Local Government)
- Offered follow up support for successful applicants and feedback to those who were not successful
- Shared best practice and learning outcomes.

The Social Inclusion and Community Activation Programme (SICAP)

SICAP focuses on providing targeted, locally driven interventions addressing the needs of disadvantaged communities in terms of community development, education and training, and employment.

In 2016 Pobal continued to provide support to Local Community Development Committees and Programme Implementers with national programme guidance, business systems, technical supports, and programme monitoring and analysis.

Local and Community Development Programme (LCDP)

During 2015 LCDP was succeeded by SICAP. Pobal's work in 2016 focused on closure related activities.

Scheme to Support National Organisations (SSNO)

SSNO provides funding to support the core costs of a broad range of national organisations in the community and voluntary sector, with an emphasis on those who work directly or indirectly with disadvantaged target groups, in support of frontline service delivery, the development of organisational capacity and the development of policy.

The Seniors Alert Scheme (SAS)

The Seniors Alert Scheme encourages community support for vulnerable older people and funds personal monitored alarms through local community organisations. 2016 was the first full year of operations for the scheme in Pobal. Conscious that the world of telecare and telehealth is fast evolving coupled with changes in population demographic, Pobal commissioned an independent review of the scheme with the support of the funder, the Department of Housing, Planning, Community and Local Government. The review was undertaken by the Telehealth Quality Group and its authors Dr Malcolm Fisk and Dr Kevin Doughty met with a wide variety of stakeholders connected to the Seniors Alert Scheme as well as other national and charitable organisations representing the views and interests of older people. The findings of the review will be published in 2017.

OTHER PARTNERSHIPS

Organisation for Economic Co-Operation and Development (OECD)

LEED Directing Committee

Since 2013, Pobal has taken up the position of Ireland's delegate to the OECD Local Economic and Employment Development (LEED) Directing Committee, following an invitation from the Department of Jobs, Enterprise and Innovation. The mission of the LEED Programme is to contribute to the creation of more and better jobs through effective policy implementation, innovative practices, stronger capacities and integrated strategies at a local level.

As part of this role Pobal participates in the biannual LEED Directing Committee meetings and the OECD LEED Forum on Partnerships and Local Development. This involves the dissemination of key learning to relevant stakeholders within government departments on effective policy implementation, innovative practices and integrated strategies at a local level.

Weaving together Policies for Social Inclusion in Ireland

In 2014, the OECD LEED programme launched a new mission in Ireland, 'People and Places: weaving together policies for social inclusion in Ireland', which explores how social and economic disadvantage is being addressed and how the fruits of economic growth can be shared more broadly.

In addition to examining the national socioeconomic context and policy framework, the report examined two case study areas – one urban and one rural – in detail. In exploring how the cycle of disadvantage, social exclusion and poverty can be interrupted, the study focuses on: accessibility, asset-building and multi-level governance.

The case study areas, which comprise the Blanchardstown RAPID area and a rural area in north County Meath, provide an insight into the specific local context and help to paint a picture of drivers and responses to disadvantage, social exclusion and poverty at the local level across Ireland.

The report outlining the key findings and concrete policy recommendations was launched at the Pobal Inclusive Labour Markets Conference in DCU in November 2016.

The Economic and Social Research Institute

In late 2014, Pobal signed a service level agreement with the Economic and Social Research Institute (ESRI) in relation to the enactment of a work programme which commenced in 2015 to run for a number of years. The programme of work agreed for 2016 specifically focused on two areas: 1) Monitoring the Impacts of Area Based Social Inclusion and Community Development Programmes and 2) Child Socio-Emotional Outcomes in centre based settings.

Given the increasing imperative to establish metrics and methods that can appropriately evaluate provision targeted at battling social exclusion in a way that is rigorous, equitable and meets international best practice, this collaboration will inform Pobal's programme design and management methodologies.

The work of the research programme is overseen by a steering group which consists of (i) two representatives from Pobal, (ii) two representatives from the ESRI (including the Programme Co-ordinator and another senior researcher with appropriate expertise), and (iii) an independent expert in a relevant field: Prof. Tony Fahy, a Professor of Social Policy from the School of Applied Social Science in UCD. The research team also consists of researchers from the ESRI who are

accountable to the steering group which meets on a six monthly basis to agree research priorities and discuss progress and outputs.

Throughout 2016 we continued this working agreement with the ESRI through their involvement in the Social Inclusion and Community Activation Programme (SICAP) Evaluation Research Programme. This research programme is a comprehensive undertaking, reviewing both the programmatic and practice levels of the SICAP programme.

Thematic Network on Partnership in the European Structural and Investment Funds

The European Code of Conduct on Partnership (ECCP) gives expression to the European Union's commitment to embed the principles and practice of partnership in the framework of the European Structural and Investment Funds (ESIF). The ECCP values the partnership principle as essential to ensuring a collective commitment to Union policies, increasing the expertise and viewpoints available for the design and implementation of the ESI Funds and to ensuring greater transparency in decision-making. In addition, the ECCP endorses institutional capacity building for partners and makes provision for exchange of experience and mutual learning, through the establishment of a transnational network to share good partnership practice between Member States.

Members of the Thematic Network on Partnership established in late 2015, include ESF Managing Authorities and Intermediate Bodies, as well as representatives from the social partners, European NGOs and the European Commission. Pobal is the current Irish representative and co-chaired the network from June 2016.

Not in Employment, Education or Training (Neet) Engagement and Research

On behalf of the Department and Housing, Planning, Community and Local Government and the European Social Fund, Pobal commissioned a research study on good engagement practice with young people aged 15-24 and Not in Employment, Education or Training (NEETs) under SICAP. Conducted by Quality Matters as the successful tenderer, this case study research will draw on the experiences and good practice of programme implementers and participants in SICAP and will result in both a research report and practical toolkit to support any organisation working with disadvantaged young people.

The food from FoodCloud Hubs has enhanced the quality of the service we can offer the clients. With tight budgets the extra food has allowed us to make a more inviting atmosphere for the clients.

Focus Ireland

There are three functional Units within the Programmes Directorate. Additionally, the Better Start Quality Development Service and Access Inclusion Model team reports within the Programmes Directorate, as does the function of EU and international relations and services.

The Funder Liaison and Project Management Unit manages the relationship with funders, providing a dedicated point of contact in the development and management of funder relations. The Unit also provides a cross-organisational project management service that ensures effective delivery and quality over the full cycle of programmes, adopting a thematic approach to delivery so that programmes complement each other in meeting their objectives in an efficient and effective manner.

The Monitoring, Analysis and Outcomes Unit is responsible for monitoring Pobal's programmes, analysing the resulting information,

and enhancing Pobal's capacity to demonstrate the outcomes of the programmes we manage. The team is responsible for developing better ways of collecting and monitoring information and for getting more value from the information that is collected. The Unit also manages and maintains Pobal Maps and the Deprivation Index.

The Programme Specification and Support Unit is responsible for the development of clear, consistent and high quality sets of programme specifications across Pobal including elements of programme design and detailing. It provides a range of specialist functions in the areas of application and appraisal design, thematic policy specialisms and business analyst functions to support wider company functions. The Unit contributes to public policy submissions and public consultation and provides advice and guidance on programme rules and requirements to the company's operational divisions.

Staffing

A total of 25 staff led by the Executive Director work across the three Units of the Programmes Directorate. The team is based primarily in Dublin, close by the central government departments and other funding agencies.

In addition, Pobal's hosting of the 'Better Start' service team includes a National Manager, Service Co-ordinators, ICT and administration support, and 30 Early Years Specialists. In 2016 this programme was expanded to support implementation of the Access and Inclusion Model (AIM). An additional five Service Co-ordinators and 47 Early Years Specialists, plus additional administration support were employed bringing the staff complement to 89. The Better Start service operates out of eight Pobal offices – Dublin (x2), Cork, Sligo, and Monaghan. Three new offices were established in 2016 to accommodate this expanded programme in Kilkenny, Limerick and Galway.

Main focus of the work in 2016

Better Start – National Early Years Quality Development

Better Start is comprised of 77 Early Years Specialists (EYS) and eight Service Co-ordinators and operates two distinct programmes: the Quality Development Service, and the Access and Inclusion Model (AIM) which commenced in 2016. The Quality Development Service engaged with 380 Early Years services in 2016, of which 165 were new requests. 213 services completed the quality development process and thirty staff completed postgraduate training in Mentoring and Leadership, as a requirement of the service.

The AIM programme commenced in June 2016. It is a seven stage model to support access and participation by children with complex disabilities in the ECCE (free preschool) programme. Better Start EYS teams support services through on-site advice and mentoring; supporting the processing of referrals for therapeutic support to HSE Early Intervention teams and making recommendations for additional assistance capitation where

required. A total of 1311 applications were processed in 2016 and 718 services participated in the programme. The combined budget for the two programmes was €5.83 million in 2016.

EU and International Relations

In 2016 Pobal strengthened its commitment to EU and international relations including the establishment of a temporary office in Brussels. A new function for EU and International Relations contributed the Irish experience at various fora, including via the European Semester. In addition, monitoring of EU policies, legislation and associated programme regulations informed and improved practice in respect of the deployment of the European Structural & Investment Funds (2014-2020) under several programmes managed by Pobal. In particular, a clearer focus on supporting the implementation of the ESF PEIL 2014-2020 enhanced the integration of ESF co-financing into national programmes, such as Tús and SICAP.

Programme Development

There has been a significant delivery of new services, development of new programmes and the redesign and refinement of existing programmes during the year.

2016 represented the first full year of delivery for the Social Inclusion and Community Activation Programme (SICAP). There have been continual updates to the programme in order to optimise programme delivery. The SICAP Personal Action Plan process was improved, and drew upon good practice from Programme Implementers as to how they approach personal action planning with clients. 2016 saw the introduction of a new target group to SICAP based on research which identified that there was a gap in programme delivery and that people in low paid, low skilled work should be given the opportunity to upskill and progress through the programme. Regular updates were provided to the Department of Housing around facets of the programme, for example the level of engagement with people who are experiencing homelessness and SICAP supports in Gaeltacht areas.

2016 saw the introduction of a new target group to SICAP based on research which identified that there was a gap in programme delivery and that people in low paid, low skilled work should be given the opportunity to upskill and progress through the programme.

Further ICT development work was undertaken to support the EU Rural Development Programme (LEADER) 2014–2020. Revisions were made to the Scheme to Support National Organisations (SSNO) with a call for applications at the beginning of the year. Ongoing developments were made to refine our administration of the Seniors Alert Scheme (SAS). Preparatory work was undertaken to support the roll out of Dormant Account Fund (DAF) and Community Services Programme calls, and a range of Early Years-related service initiatives were developed.

Programme Governance

Pobal worked closely with its sponsoring Departments in renewing the processes and agreements associated with the services and programmes that Pobal provides to and on behalf of the Departments.

Programme monitoring, data management and capture

Over recent years Pobal has become one of Ireland's largest holders of social investment data. 2016 saw an increased emphasis within the Directorate on developing capacity and improving information management systems. A renewed focus has been placed on capturing learning through the use and analysis of this data, and making this information available to inform policy and programme design. Significant work took place in relation to reporting on Early Years programmes, utilising data from the SICAP programme, and advancing a system for the new LEADER programme.

Highlights in 2016

Early Years Sector Profile Report

In November, Pobal launched the Early Years Sector Profile Report for 2014/2015. This report has become established as a definitive source of information on the early years sector in Ireland and was formally launched by Minister Katherine Zappone at the National Early Years Forum. The report builds upon over a decade of providing a report on the sector and received considerable national, regional and local media attention.

Labour Market Conference

The Programmes Directorate was involved in planning the Pobal Labour Market Conference on creating a more inclusive labour market. Over 150 people attended the conference which was opened by Minister Leo Varadkar who outlined the changing labour market in which we now operate. The event took place in November 2016 in Dublin City University and through workshops explored different themes such as the role of local authorities in the labour market and apprenticeships. A very successful day, it facilitated

Minister Leo Varadkar pictured with Pobal Chairman Seamus Boland at the Pobal Labour Market Conference, November 2016.

an exchange of views and learning on labour market conditions and better ways of engaged those marginalised in society. A summary report of the conference findings and recommendations will be published in early 2017.

LEADER (Rural Development Programme 2014-2020)

In August, Pobal launched Phase 1 of the new ICT system for the LEADER programme on behalf of the Department of Environment, Community and Local Government

(now Department of Arts, Heritage, Regional, Rural and Gaeltacht Affairs). Phase 1 supported the implementation and monitoring of local development strategies, the administration of Monthly Returns payments, as well as the recording of Expressions of Interest (EOI) from project promoters. All Local Action Groups and Implementing Partners were trained on this system. A second phase of the system is due to be released in spring 2017.

Application and appraisal processes

During 2016, seven application and appraisal processes were designed and developed for DCYA, DSP, DHPCLG and DAHRRGA. Five of these incorporated online systems to ensure accessibility and reduce the administrative burden on applicants. In addition, guidelines and supports were prepared for applicants including briefings and guidance for appraisers and decision makers. As a result approx. 1,900 applications were submitted for consideration for funding in 2016.

Departmental Engagement

- We continued to engage with the Department of Social Protection on referrals of their clients to non-DSP programmes, including beginning to examine the options for collecting the PPS Number for particular clients and improve linkages with DSP systems. We have participated in the Department of Social Protection's EP-DeM Labs project, an Erasmus funded project which holds experimental and participative workshops to discuss youth employment and education.

During 2016, seven application and appraisal processes were designed and developed for DCYA, DSP, DHPCLG and DAHRRGA.

Application and appraisal processes

- We worked closely with the Education and Training Boards, sharing knowledge on Pobal data capture systems and learning from their FETCH database. We participated in research on barriers to participate in further education and training being conducted by SOLAS and contributed to the further education and training Professional Development Strategy 2017–2019.
- Throughout 2016 the Programmes Directorate continued to work with and develop linkages with third level academic institutions, including collaborative research proposals with Maynooth University and Dublin City University.

- Exploratory work was conducted looking at the use of tools to measure people's personal journeys and progression through social inclusion supports and the options available for measuring softer, more qualitative outcomes.

Ongoing submissions and contributions to wider government thinking

The Directorate developed a Pobal response to the Department of Housing, Planning, Community and Local Government Statement of Strategy 2016 – 2019, with a specific focus on programmes managed by Pobal. In early 2016, it made a submission to the Department of Public Expenditure and Reform as part of their public consultation process examining the commissioning of human, social and community services. We also provided assistance to the Department of Housing regarding a proposal for a re-launch of the RAPID programme and a Community Development Scheme.

Publications/Resources produced in 2016

- Weaving Together Policies for Social Inclusion in Ireland is an OECD LEED Publication to which Pobal made a significant contribution and helped launch in November 2016. The report looked specifically at two communities with a number of challenges that hinder economic and social inclusion. The report recognised that while considerable progress has been made by the country in rebounding from the crisis, challenges remain which limit the prospect of more inclusive growth. In each of the two locations of rural North County Meath and Blanchardstown in West Dublin, LEED looked across policy areas to consider three key themes; accessibility, asset building and multi-level governance.
- Early Years Sector Profile Report 2014/2015: this document provides a comprehensive national analysis of the 4,300 services providing early childhood care and education in Ireland. The data was collated by Pobal in conjunction with the Department of Children and Youth Affairs.
- ESRI Reports:
 - » Childcare, Early Education and Socio-Emotional Outcomes at Age 5: Evidence from the Growing up in Ireland Study - this report investigates the effects of childcare in early life on children's socio-emotional development at age five using a large representative sample of children (circa 9,000) from the Growing Up in Ireland study.
 - » An Exploration of (Area-based) Social Inclusion and Community Development Training Programmes in Ireland - this report examines training interventions provided in 2014 by the Local and Community Development Programme, now known as the Social Inclusion and Community Activation Programme (SICAP).
- SICAP End of Year Report 2015: The report outlines the progress and achievements of the programme since its inception in April 2015. The report notes that in total, almost €28 million was allocated to help reduce poverty, promote social inclusion and progress equality at local, regional and national level.

The report recognised that while considerable progress has been made by the country in rebounding from the crisis, challenges remain which limit the prospect of more inclusive growth.

Community Supports and Services Directorate

The Community Supports and Services Directorate (CSSD) is the primary point of contact for groups and organisations in contract with Pobal, and other intermediary organisations. CSSD manage application, appraisal and decision making processes across a range of programmes as well as providing a number of standard and bespoke supports. The Directorate is also responsible for performance monitoring within programmes.

Staffing and Structure

The Directorate is divided into two Units, the Community Operations Unit which comprises teams of Development Coordinators, and the Community Supports Unit which works strategically to address the collective needs and requirements of organisations as well as implementing Pobal's Community Support Strategy. A central administrative team operationally underpins the Units. There are a total of 56 staff within CSSD, led by the Executive Director.

Main focus of the work in 2016

A. Funding processes

Ten application/appraisal/decision-making processes were completed in 2016. Further information on each of the relevant programmes can be found on Pobal's website but the following is a short description of each funding process:

1. Community Services Programme

In 2016, 136 business plans were appraised as part of re-contracting in the Programme. 230 applications were appraised under the Support Fund which was setup to assist services comply with the new minimum wage payments. A further 19 mid-term reviews were undertaken on existing services.

A number of formal closures of grant agreements also took place for those organisations that exited the

programme or whereby a change to their legal entity occurred.

2. Scheme to Support National Organisation (SSNO)

151 applications were received and appraised under the SSNO 2016-2019 Programme, with 71 of these being successfully brought into contract with Pobal.

For the remaining 62 groups, the grant agreement closure process was initiated to be concluded in 2017.

4. LEADER

Pobal services the Independent Selection Committee (ISC) meetings on behalf of the Department of Arts, Heritage, Regional, Rural & Gaeltacht Affairs. The ISC is the decision making body for Local Development Strategy Plans submitted by LEADER Sub-regional areas. During 2016 there were eight Independent Selection Committee (ISC) Meetings and one meeting of the Appeals Committee of the ISC. In all 30 Local Development Strategies were fully considered and approved by this Committee in 2016.

5. Peace IV 2014 - 2020

Pobal represents regional/sub-regional and local Government structures on behalf of the DHPCLG on the Peace IV Monitoring and Steering Committees. The Steering Committee are the decision making body for applications to the programme and the CSSD Directorate service the review of applications and appraisals in preparation for our input to this Committee.

During 2016 staff attended seven Steering Committee meetings and reviewed circa 140–150

applications and associated appraisals in respect of these meetings.

6. Early Years Capital 2016 (EYC)

The focus of EYC 2016 was to support childcare services to provide additional or new ECCE places from September 2016 to meet the projected demand. EYC 2016 was open to early years facilities providing services under at least one of the three Department of Children and Youth Affairs programmes (CCS, TEC or ECCE). 1,282 applications were received and 1,006 services were recommended for funding through the €6.5 million fund.

7. City and County Childcare Committees (CCCs) and Voluntary Childcare Organisations (VCOs)

A review of planning processes in collaboration with Department of Children and Youth Affairs (DCYA) in consultation with Childcare Committees Ireland resulted in the production of revised planning documents and guidance for 2016. Following the submission of 36 plans for the 2017 period, Pobal presented appraisal reports and recommendations to DCYA in December in order to issue 2016 funding decisions before year end

to the 30 CCCs. Decisions on the six VCOs were not due until early 2017.

8. Childminder Development Grants

Pobal administered funding allocations to 30 CCCs for 237 Childminder Development Grants.

9. Learner Fund 3 and 4

As part of a range of initiatives underway to enhance quality standards in early years services nationally, Learner Fund 3 (closed to application 29/07/16) supported 169 learners to complete Early Childhood Care and Education Level 5 on the NFQ, in order to meet minimum regulatory requirements for all early years staff working directly with children and which came into effect on December 31st 2016.

863 learners were also supported via Learner Fund 4 (closed to applications 28/10/16) to avail of Early Childhood Care and Education Level 6 on the NFQ.

10. Area-based Childcare Programme (ABC)

Thirteen area-based collaboratives are funded to implement agreed programmes and services under ABC, which is a prevention and early intervention initiative for children and families living in areas of disadvantage. It is funded by the Department of Children and Youth Affairs (DCYA) and The Atlantic Philanthropies with a total investment of €34m between 2013 and 2017. Pobal manages the programme in conjunction with the Centre for Effective Services. A range of supports tailored to individual area needs are provided with regular area visits, data harvesting, reporting and reviews undertaken in support of the programme.

B. Community Supports

Social Inclusion and Equality

1. Social Inclusion and Community Activation Programme (SICAP)

- Pobal undertakes a significant support role within SICAP through a series of engagements as set out below. A designated Development Co-ordinator for each Local Community Development Committee (LCDC) provides ongoing support. This is primarily providing support to LCDC staff and giving inputs at LCDC and SICAP sub-committee meetings where requested to do so. In addition to this ongoing engagement, Pobal have also provided guidance material and templates to LCDCs in undertaking their reviews of mid-year and end of year finance and non-finance monitoring returns. Pobal has undertaken a parallel/technical review of both the mid-year and end of year monitoring returns that fed into the overall review undertaken by the LCDCs.
- Pobal undertook 31 individual support visits with LCDCs in 2016. In addition, regional support events for LCDC support staff and members took place at the mid-year and end of year periods within the annual lifecycle of the programme. Four regional sessions took place in June 2016 and another four in November 2016. The overall purpose of these sessions was to support LCDCs in fulfilling their role as SICAP contract holders. This was achieved by inviting external contributors, along with inputs from LCDCs and Programme Implementers (PIs) where good models of practice are being implemented. This has proven to be a useful networking and peer learning opportunity for all LCDCs.
- Pobal, in conjunction with DHPCLG, organised two national support events –
 - » A support event in May focused on strategies for effective targeting and promoting good practice on engagement with disadvantaged target groups, leading to the dissemination of a set of common principles that should underpin any engagement strategy with SICAP.
 - » A second event in September focused on raising awareness

on the needs and issues experienced by women experiencing domestic abuse, and men who are at risk of suicide.

- Technical training and support to both PIs and LCDCs on the IRIS system. A programme of training was delivered to both PIs and LCDCs in January and February. Training was also delivered to any new staff that came on board with LCDCs throughout the year. In addition to this, a series of video guides were developed on how to use different functions of the IRIS system.
- Development of guidance and templates for LCDCs on particular aspects of their role in managing SICAP at a local level. Throughout the year, various guidance material and templates were issued to LCDCs to undertake their role in reviewing mid-year and end of year monitoring returns and also in relation to their qualitative monitoring role on the implementation of SICAP.

2. Scheme to Support National Organisations (SSNO)

Each SSNO funded organisation receives ongoing support through their assigned development co-ordinator. This enables queries and issues to be addressed as they arise.

In addition to this, Pobal organised a support event for all organisations that were successful in the SSNO 2016-2018 call for applications. The primary focus of this event was to support organisations in undertaking their finance and non-finance reporting responsibilities.

In 2016 Pobal undertook 31 individual support visits with LCDCs and 8 regional support events.

Social Inclusion Community Activation Programme (SICAP)

Inclusive Enterprise and Employment

1. Community Services Programme

The main focus of support is in relation to the Community Services Programme (CSP).

The strategy underpinning the provision of support to CSP services consists of three distinct but related elements including one-to-one support from Pobal staff, collective supports delivered at a regional and/or national basis by both Pobal and external bodies, and intensive supports for individual services delivered by an external panel of trainers/coaches. Further detail on each element is set out below:

- One-to-one support primarily relates to the support provided to services by designated development co-ordinators ranging from the provision of advice on matters relating to the rules and conditions of the programme to support in how to address contract conditions or in relation to the future development of the social enterprise. A total of 200 support visits took place in 2016.
 - Collective supports are targeted at board and staff members of CSP services and are delivered on a regional and/or national basis. Such supports range from regional support meetings organised and delivered by Pobal staff to training delivered on a regional basis by external trainers.
- The following collective supports were delivered in 2016:
- » Six Strand 2 business planning regional support events in February 2016 with a total of 128 services and 211 individuals in attendance.
 - » One Strand 1 business support event with seven services and 12 individuals attending.
 - » One 'new entrants' support event with 16 services and 25 individuals attending.
 - » One 'new managers' support event with 63 individuals in attendance.
 - » One support event for 10 CSP Expression of Interest services with nine organisations and 19 individuals in attendance.
 - » Delivery of four two-day 'Growing a Social Enterprise' programmes in Dublin, Sligo, Kilkenny and Cork with 40 services and 58 individuals attending. This programme was delivered by the Carmichael Centre for Voluntary Organisations.
- » Introduction of a revised CSP Operating Manual in April 2016.
- Group training and business coaching - planning for a third element of support involving more intensive training and business coaching for CSP services that are deemed as having significant sustainability issues got underway in 2016 with the roll-out of a tendering process to form a panel of group trainers and business coaches. The panels will be utilised to deliver training and coaching in 2017.

2. Dormant Accounts Fund

The Dormant Account Fund (DAF) programme grantees are supported via a mix of one-to-one and collective supports. Successful applicants under Measures 1 - 8 of the 2015 DAF call for applications entered contract in late 2015 and four induction support events for grantees were delivered in January 2016. 158 individuals from 102 organisations attended these events.

Communications

The primary focus of this Unit in 2016 was to enhance Pobal's communications function both internally and externally as well as to improve the existing communications infrastructure. A new communications strategy was developed in 2015 and the implementation of this commenced in 2016. This strategy includes

the Pobal key communications strategic objectives.

The Unit handled an increased volume of media activity including press queries from national, local, print and broadcast media. A number of information publications were produced in 2016 to convey the work of Pobal among key target audiences including an updated infographic and a briefing

document. An internal staff magazine was also launched and our style and branding guidelines were updated.

Social media activity increased in 2016 with greater engagement with stakeholders through the Pobal website, Twitter, and LinkedIn. More emphasis was placed on using social media to promote some of the projects which Pobal is involved with.

The Communications Unit also facilitated Pobal's involvement in external events such as the National Ploughing Championship held in Tullamore, Co Offaly and ongoing support around workshops and conferences.

Business Systems

In 2016, Pobal continued to invest significantly in Business Systems Development in recognition of the importance of integrated systems and accurate and timely datasets. Further detail on this investment is included in the Systems development section of this report.

ICT

With the continued priority on new business systems and enhanced datasets, the following are some of the major activities undertaken in 2016:

ICT Infrastructure

The ongoing development of new business systems has resulted in an increased demand for systems and network infrastructure. A stable, secure, fit for purpose ICT environment is essential for Pobal to achieve our ambition in the provision of leading edge business systems. The team made major improvements in a number of areas during 2016.

New Offices

The ICT infrastructure team successfully provisioned ICT services in our new Kilkenny, Galway and Limerick offices. They were also heavily involved in the advanced preparation work for the 2017 office move from Grants Row to Ormond Quay. As part of this move some of our ICT infrastructure will be migrated to the Revenue data centre.

Government Cloud Network

The migration of all our wide area network connections to the new government cloud network was completed in 2016. This provides major enhancements and improvements in the capacity, resilience and security of our network infrastructure.

Service Desk

Our support desk resolved over 7,500 ICT related requests during 2016.

Systems Development

Pobal continues to develop ICT solutions to enable and assist in the effective management of all funding programmes and core business processes. Our systems development strategy, vision, and associated procurement is closely aligned to the Department of Public Expenditure and Reform (DPER)'s ICT strategy.

The following summary captures some of the tools and systems that were developed or enhanced in 2016 with the aim of increasing our capability and services to our range of stakeholders.

Funding Programme Management System (HUB)

Pobal's Funding Programme Management System (HUB) continues to be the centre point for our cross programmatic data, business processing and reporting. In 2016, the platform was enhanced to further increase Pobal's ICT capability and capacity, enabling the efficient roll out of many new funding programmes. Some notable enhancements to HUB in 2016 included tighter integration with Revenue for eTax compliance and the automation of audit processes.

Programmes Integration Platform (PIP)

The first phase of PIP was launched in August 2014 and currently holds secure data on over 4,500 childcare services, facilitates the management of over 14,000 yearly contracts and has processed over 300,000 child registrations.

Throughout 2016, development efforts focused on the addition of new components and functionality to further support the early year's programmes and related business processes. PIP supported the roll out of AIM (Access and Inclusion Model) and the Early Years Capital programme in 2016. Other notable enhancements focused on the expansion of CCS (Community Childcare Subvention), the online service profile, enhanced payments processing and automated online contract activation.

2016 also saw the delivery of two new development projects with Túsla and the Department of Education and Skills (DES). Online Portals

A focus on our beneficiaries and end users has been a key design principle of HUB, with a view of streamlining administrative process and improving communication. A large amount of work was carried out to enhance information accessibility and this has resulted in a significantly improved end-user experience for our beneficiaries. In 2016 portal development and enhancements were completed to support new features, improve performance and new funding calls for programmes such as the Dormant Accounts Fund, The Learner Fund, Comhairle na Óg and re-contracting for the Community Services Programme (CSP).

Business Intelligence (BI) and Pobal Maps

As Pobal's centralised dataset grows with the implementation of HUB and the addition of new programme datasets there is a greater focus on how we report and analyse this data. Pobal have a dedicated monitoring and reporting team and a number of reporting tools are now being used to effectively export, report and analyse this valuable data. Some tools to note are; SQL Server Reporting Services, Microsoft Power BI, Power View and Power Pivot.

Blacklion Childcare Service

Blacklion Childcare Service, a Company Limited by Guarantee was granted Capital Funding in 2007 for the purposes of building a community childcare centre in the rural community of Blacklion on the borders between Cavan, Fermanagh and Leitrim.

Pobal's Role

- Processes all payments for CCS/ECCE/TEC programmes
- Administration, online & IT support for child registrations via the Programme Implementation Platform (PIP)
- On-site visits and checks of service providers participation in programmes to ensure that providers are compliant.

The mission of Blacklion Childcare Service is to provide quality, affordable childcare that supports the holistic development of all children by working in partnership with parents, recognising them as the first and most important educators in the lives of their children. Since its opening, the number of children at Blacklion Childcare has grown from a small number to the 38 registered on a full and part time basis for 2016. The centre now employs six permanent staff and provides

placements for one Community Employment (CE) and two Tús participants. Blacklion Childcare receives funding from Pobal under the Community Childcare Subvention (CCS) a targeted support to help low income families access early education and childcare services; the Early Childhood Care and Education (Free preschool – ECCE scheme) – a universal programme that is available to all children between 3-5 years; and the Training and Employment Childcare programmes

(TEC), which support eligible parents to access subsidised childcare places in order to attend training courses and return to work.

In 2016, the service engaged with the Better Start National Quality Development Programme, provided by Pobal on behalf of the Department of Children and Youth Affairs. The programme provided on-site mentoring with the support of a Better Start Early Years Specialist (EYS). The role of the Early Years Specialist was to work in partnership with the management and staff working with children - Early Years Educators (EYE) of Blacklion Childcare Service, to develop and implement quality improvement plans, using the Aistear Síolta Practice Guide. With support from the EYS, the staff team used the Practice Guide to develop the quality of their curriculum based on Aistear: the Early Childhood Curriculum Framework (2009) and Síolta, The National Quality Framework for Early Childhood Education (2006),

The Better Start mentor modelled good practice for staff by working at children's level and using observation and communication skills to enhance and extend children's learning.

Sarah Moffitt, Centre Manager

which in turn facilitated them to better support children's learning and development.

The EYS undertook a number of visits in the Blacklion Childcare Service, from May 2016 to March 2017. A variety of methods were used as part of the mentoring support. A strengths-based approach underpinned the process and one of the main elements of the support involved discussions with the Educators. Verbal feedback was provided by the EYS, on the initial observations and on an ongoing basis throughout the quality development process.

The educators and manager worked together during the process, to ensure a whole service approach was undertaken to embed quality practice in the service. The manager provided opportunities for the EYS to have one to one meetings with the educators, which supported educators to reflect on the what, why and how of their practice.

During the mentoring visits, the EYS worked with all the educators in the service. The main areas of support provided were:

- enhancing the learning environment
- providing opportunities for children to experience a variety of play experiences
- planning and assessing to support children’s learning and development

Throughout their engagement with Better Start, the Educators worked well with the EYS, making changes to the environment to further enhance the children’s play experiences and providing more opportunities for sensory play. As part of the work under planning and assessing, they further developed how they document children’s learning and development using learning journals. The learning journals support the educator’s to document the children’s learning

using photographs, artwork, drawings and observations, gathered by the educators and the children. These are shared with the parents and have further supported their partnerships with parents.

Under the Better Start programme, Blacklion were also involved with the Access and Inclusion Model (AIM) and availed of support from an early years specialist to deliver an inclusive pre-school experience.

The centre Manager, Sarah Moffitt says “Early Years Practitioners at the service agreed to engage with an Early Years Specialist to support and encourage the development of quality throughout the service. This entailed a Better Start mentor¹ observing practices and communicating with staff to identify specific goals for the work to be undertaken and highlighted areas that needed specific attention to enhance the delivery of quality practices. These areas included the development of

curriculum with specific attention to short term planning and developing learning environments. Throughout, the Better Start mentor modelled good practice for staff by working at children’s level and using observation and communication skills to enhance and extend children’s learning. This helped to nurture and extend children’s interactions both with their peers and staff within the service. The mentor frequently discussed her observations with staff encouraging them to reflect on their practice, offering guidance on the development of curriculum plans and providing assistance on how to incorporate observations into plans. As a manager, the Better Start Quality Development Programme played a significant role in supporting staff with the development and delivery of quality within the service. It has encouraged staff to reflect on their practices and ensured the development of curriculums that

The learning journals allowed us to share photos and other pieces of information about what children were learning with parents and we are now sending these home on a regular basis. This has really helped us to improve our conversations and communication with parents. I would highly recommend the Better Start programme.

are child-initiated. It has been a wonderful experience delivered by a knowledgeable, skilled and supportive professional”

Staff member Annette “found the programme extremely beneficial, very supportive to have an experienced mentor come in and give one-to-one guidance. She answered any of our questions in an easy to understand way. She helped us with improving our planning to make it more child-focussed. The learning journals allowed us to share photos and other pieces of information about what children were learning with parents and we are now sending these home on a regular basis. This has really helped us to improve our conversations and communication with parents. I would highly recommend the Better Start programme”

1. The use of “mentor” by staff members at Blacklion Childcare refers to the Early Years Specialist.

Statement on Internal Financial Control

RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROL

On behalf of the Board of Directors of Pobal, I acknowledge our responsibility for ensuring that an effective system of internal financial control is maintained and operated.

The system can only provide reasonable and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or would be detected in a timely period.

KEY CONTROL PROCEDURES

The Board of Pobal has taken steps to ensure an appropriate control environment by:

- Clearly defining management responsibilities, in a defined organisational structure with clear segregation of duties;
- Adopting the principles of corporate governance contained in the Code of Practice for the Governance of State Bodies 2009, bearing in mind the size and nature of our organisation;
- Establishing formal procedures to monitor the activities and safeguard the assets of the organisation.

The Board of Pobal has established processes to identify and evaluate business risks by implementing a risk assessment of the organisation to:

- Identify the significant strategic, financial, operational and reputational risks of the organisation;
- Assess the appropriateness and strength of management controls surrounding risk areas;
- Highlight key risk areas for specific management attention and Audit and Finance Committee focus.

The system of internal financial control is based on a framework of regular management information, administrative procedures including segregation of duties, and a system of delegation and accountability. In particular it includes:

- Comprehensive budgeting system with an annual budget which is reviewed and agreed by the Board of Directors;
- Regular reviews by the Board of Directors of periodic and annual financial reports which indicate financial performance against forecasts;
- Setting targets to measure financial and other performance.

FINANCIAL IRREGULARITIES – CHILDCARE EARLY YEARS PROGRAMME

Irregularities estimated at €500,000 in relation to the Community Childcare Subvention and Early Childhood Care and Education programmes were disclosed in last year's Statement on Internal Financial Controls. The childcare facility organisation where the irregularities were identified is in the process of being liquidated. This was referred to the Gardai and it is understood that the claims are currently being investigated. As this group is in liquidation, it is unlikely that Pobal will recover any of the amounts overpaid to this organisation.

Financial Irregularities – Other Cases

There are six on-going cases being investigated, which are in various stages of completion. The total amount under investigation in these cases that can be quantified is €111,840.

Statement on Internal Financial Control *continued*

MANAGEMENT AND ACCOUNTABILITY FOR GRANTS FROM EXCHEQUER FUNDS

In September 2014, the Department of Public Expenditure and Reform issued a circular (13/2014) setting out a revised framework for the management of and accountability arrangements for grants from Exchequer funding. The effective date for commencement of the provisions of the Circular was 1 January 2015. Detail is provided below in relation to Pobal's procedures in this regard. During 2016 Pobal had not sought approval from the Department of

Public Expenditure and Reform for sanction to pre-fund grantees. In future Pobal will request approval from the Department of Public Expenditure and Reform through its line Departments in order to pre-fund grantees.

Pobal administers 26 grant programmes on behalf of 7 Government Departments and Offices. The payments range from weekly payroll grants to supports to community businesses and local organisations to deliver services and provide local facilities and amenities. Details are set out below.

PAYROLL GRANTS

Pobal administers 3 schemes (Tús, Rural Social Scheme and Gateway) for the Department of Social Protection on a payroll basis. In 2016, it administered payments totalling €171.9 million. Pobal operates the schemes on behalf of local development companies, Úduras and local authorities (called implementing bodies). All instructions in relation to putting individuals into payment, terminating payments and payments rates are advised to Pobal by the implementing bodies. Pobal has no eligibility, compliance or monitoring role in relation to these payments.

OTHER GRANTS

As set out in the table above Pobal also administers a number of grants for government departments and other funders. Pobal's control over these grants are set out below.

PROVISION OF GRANT FUNDING

Under the circular, the provision of the funds to the grantee before expenditure has been incurred requires prior approval of the Department of Public Expenditure and Reform. Pobal as a grantee is prefunded by seven Departments and Offices in order to be in a position to administer its programmes. In 2016, Pobal paid €257 million under community services grants, of which €257 million was pre-funded. The funding departments are the awarding bodies for the community service grants. Pobal administers the community grants on behalf of the government departments. Pobal will seek in July 2017 approval from DPER to provide funding before related expenditure is incurred.

A key element of maintaining effective management

and accountability is a service level agreement which set out the resources being provided and the outputs to be delivered. Pobal have service level agreements in place with all their funding departments.

REVIEW, MONITORING AND COMPLIANCE

The majority of grants issued by Pobal are subject to a grant agreement containing the terms and conditions applicable to the grant awarded. Subject to the conditions of the funding programme Grantees may be required to report in both financial and non-financial terms including expenditure and outputs on a periodic basis across the lifetime of the grant. Reporting is submitted in a specified format and may include electronic reporting. All reports submitted and supporting documentation including expenditure profiles and monitoring reports, are reviewed by Pobal to ensure eligibility of expenditure and satisfactory progress in project implementation per grant approval. Pobal operates a cascade system of audit and verification of grantees as specified within SLA's. The sampling methodology considers risk management and programme requirements.

RECEIPT AND REVIEW OF FINANCIAL STATEMENTS

Grantee organisations are required to submit audited financial statements (AFS) to Pobal on an annual basis either electronically or by post and formatted in line with Circular 13/2014 after the end of each financial year.

Subject to the funded programme, Pobal conducts a review of the AFS which includes company information, directors and auditors reports, and the financial statements with a view to understanding the governance and financial position of the company

at the date of the accounts. This information is considered when appraising applications for future funding.

Pobal will continue to work with its funding partners and grantees to improve compliance with the requirements of Circular 13/2014 *Management and Accountability for Grants from Exchequer Funds*.

AUDIT

The Compliance, Audit & Risk (CAR) Directorate is responsible for the operational management of the compliance, verification and risk audit functions in respect of beneficiaries across a wide range of Pobal funded programmes. From a corporate perspective, the CAR Directorate is also responsible for the effective co-ordination of Pobal's internal audit and risk management functions, although the vast majority of its work involves on-site visits to beneficiaries under the terms of various grant funding agreements which afford rights of access to third party records.

There are three functional units within the CAR Directorate which are briefly described below.

1. Compliance

The compliance role comprises unannounced site visits to local childcare services in respect of a range of specific early childhood care and education operational programmes funded through the Department of Children & Youth Affairs. In broad terms, the compliance checks relate to matters concerning childcare service provision, as well as specific programme requirements. They do not specifically focus on financial records or governance related matters, however strong linkages are maintained with the other business units within the CAR Directorate

(verification and audit) and relevant information is routinely exchanged. In 2016, 2,377 compliance visits were carried out, which represented 51% of all facilities who held contracts under the three DCYA funded programmes.

2. Verification

Verification visits are conducted in respect of grant-aided beneficiaries on behalf of a range of Government Departments. Such visits have a financial focus and aim to confirm that both capital and operational grant monies are spent for the purposes intended in accordance with programme rules, contractual conditions, etc. In 2016, 139 grants were verified as a result of on-site visits to 126 beneficiaries.

3. Risk Management and Internal Controls

There are a number of functional areas which fall under this sub-heading, which are summarised below:

- Risk audits of beneficiaries, which are normally initiated by exception in a comparatively small number of cases where specific problems have been identified, e.g. in cases of actual or suspected misappropriation, or in the event that serious deficiencies in financial management and / or corporate governance are identified.
- Internal audit, which is currently sub-contracted to a professional external audit firm (Mazars), which is responsible for independently reviewing Pobal's accounting records and internal control systems.
- Corporate risk, which comprises the management and co-ordination of Pobal's risk register.

The Board's monitoring of the effectiveness of internal controls is informed by:

- The Audit, Finance & Risk Sub-Committee, which oversees the work of the internal audit function, as well as the compliance, verification and audit work undertaken by the CAR Directorate.
- The Executive Managers, who have responsibility for the day to day operation of the internal control framework.
- The Comptroller & Auditor General, who conducts statutory audits on an annual basis.

ANNUAL REVIEW OF CONTROLS

I confirm that for the year ended 31 December 2016 a review of the effectiveness of internal financial controls was carried out by the Board.

Signed on behalf of the Board.

My responsibility is to audit the financial statements and to report on them in accordance with applicable law.

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation.

My audit is carried out in accordance with the International Standards on Auditing (UK and Ireland) and in compliance with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements, sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate to the company's circumstances, and have been consistently applied and adequately disclosed
- the reasonableness of significant accounting estimates made by the directors in the preparation of the financial statements, and
- the overall presentation of the financial statements.

I also seek to obtain evidence about the regularity of financial transactions in the course of audit.

In addition, I read the company's annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

Opinion on the financial statements

In my opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2016 and of its income and expenditure for 2016; and
- have been properly prepared in accordance with generally accepted accounting practice in Ireland; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Matters on which I am required to report by the Companies Act 2014

I have obtained all the information and explanations that I consider necessary for the purposes of my audit. In my opinion, the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

In my opinion, the information given in the directors' report is consistent with the financial statements.

Matters on which I report by exception

I report by exception if I find

- any material instance where money has not been applied for the purposes intended or where the transactions did not conform to the authorities governing them, or
- the information given in the company's annual report is not consistent with the related financial statements or with the knowledge acquired by me in the course of performing the audit, or
- the statement on internal financial control does not reflect the company's compliance with the Code of Practice for the Governance of State Bodies, or
- the disclosures of directors' remuneration and transactions as specified by the Companies Act 2014 are not made, or
- there are other material matters relating to the manner in which public business has been conducted.

I have nothing to report in regard to those matters upon which reporting is by exception.

1. ACCOUNTING POLICIES

The basis of accounting and significant accounting policies adopted by Pobal are set out below. They have all been applied consistently throughout the year and for the preceding year.

General Information

Basis of Preparation

The financial statements are prepared under the accruals method of accounting, except as indicated below, and in accordance with generally accepted accounting principles under the historical cost convention. Financial Reporting Standards recommended by the recognised accountancy bodies are adopted, as they become operative.

Currency

The unit of currency in which the financial statements are denominated is the Euro.

Grant Income

"Property, Plant & Equipment are shown at cost less accumulated depreciation. Pobal capitalised all asset purchases greater than €1,000. Depreciation is charged to the Administration Account, on the straight-line basis, at the annual rates set out below, so as to write off the assets, adjusted for estimated residual value, over the expected useful life of each appropriate category.

Depreciation is charged on assets in use at the end of the period.

Furniture	12.5%
IT Equipment	33%
Other Office Equipment	20%
Leasehold Improvements	20%

Grant Payments, Grant Refunds and Repayments

Grants Payments are charged in the financial statements as they are paid. Grant refunds and repayments received in the year are posted to the financial statements on a cash receipt basis.

Operating Leases

Rental payments under operating leases are dealt with in Note 7 Operating Expenses as incurred.

Retirement Benefits

For staff directly employed, the company operates a defined contribution (DC) pension scheme which is approved by the Revenue Commissioners. The company's contributions to this scheme are charged to operating expenses (Note 7) in the period to which they relate. The pension costs of staff seconded to the company are paid for by the relevant parent organisations and Pobal reimburses the cost in full. All pension contributions are remitted to the funds administrators within the 21 day timeline as required under law.

Le linn 2016 d'oibrigh Pobal lenár bpríomhpháirtithe straitéiseacha le deiseanna a fheabhsú do dhaoine faoi mhíbhuntáiste agus eisiámh sóisialta agus thacaigh le riarachán agus caighdeán na luathbhlianta.

Seamus Boland,
Cathaoirleach

Bhí méadú ar an méid maoiniú deontais a riar Pobal ar son Ranna Rialtais agus Comhlachtaí AE agus dáileadh €428.4 milliún ar 24 clár éagsúil le linn 2016.

Bhí tionchar díreach le linn na bliana ag na cláir a bhainistíonn muid ar phobail ar fud na tíre, mar shampla tacaíodh le 47, 511 duine agus 3,076 grúpa pobail tríd an gClár um Chuimsiú Sóisialta agus Gníomhachtú Pobail (CCSGP), d'éirigh le 29,025 teaghlach faoi mhíbhuntáiste táillí laghdaithe cúram leanaí a fháil agus cuidíodh le 4,690 seirbhís luathbhlianta.

Léiríonn an fhorbairt leanúnach seo obair iontach Phobal ó thaobh soláthar clár d'ardchaighdeán a ghnóthaíonn torthaí inbhraite do dhaoine aonair agus do phobail. Aithnítear san earnáil uilig ár ról maidir le cláir a mheas, a luacháil agus a fheidhmiú go tráthúil mar aon le luach ar airgead a chinntiú.

Feictear fiúntas ceart ár gcuid oibre nuair a bhuailtear le pobail ar fud na hÉireann atá páirteach sna cláir a dtacaíonn muid leo. Thug Bord Phobal cuairt ar agus chas siad le roinnt grúpaí pobail i Luimneach i 2016 sna hearnálacha cuimsiú sóisialta, forbairt áitiúil agus luathbhlianta.

Tá na grúpaí pobail seo, agus na comhpháirtíochtaí lena n-oibríonn Pobal,

riachtanach dár gcuid oibre agus ba mhaith liom lucht foirne, oibríthe deonacha agus baill boird na n-eagraíochtaí seo a lua ach go háirithe mar go n-oibríonn siad go dian dícheallach ar son a bpobal áitiúil.

Táim fórbhuíoch freisin as an tacaíocht a fhaigheann Pobal ón Roinn Tithíochta, Pleanála, Pobail agus Rialtais Áitiúil, ón Roinn Leanaí & Gnóthaí Óige, An Roinn Coimirce Sóisialaí, An Roinn Ealaíon, Oidhreacht agus Gnóthaí Réigiúnacha, Tuaithe agus Gaeltachta agus ó gach Roinn agus Gníomhaireacht eile Rialtais.

Tá buíochas ar leith tuillte freisin ag Bord Phobal, an dream nua agus an dream atá ag éirí as. Tá a dtiomantas agus a ndúthracht do Phobal agus d'fhorbairt pobail le moladh. Tugann gach ball a gcuid ama go deonach gan cúiteamh airgid.

I 2016 lean Pobal orthu ag leathnú amach agus ba mhaith liom mo bhuíochas a chur in iúl do POF Phobal, Denis Leamy, agus don Fhoireann Bainistíochta Feidhmiúcháin as a gceannaireacht agus a dtiomantas leanúnach le linn na tréimhse sin. Ar deireadh ba mhaith liom a rá le gach aon duine de na baill foirne gur mór agam a gcuid oibre agus a ndíogras ar feadh na bliana.

Ba mhaith liom a rá mar chríoch go gcreidim, má choinníonn an Rialtas ag díriú ar fhorbairt pobail láidre agus bríomhara, go bhfuil ról lárnach ag Pobal maidir le deiseanna a fheabhsú do phobail ar fud na hÉireann agus coinneoidimid suas ár dtiomantas chuige seo.

Denis Leamy,

Agus muid ag obair ar son ranna Rialtais agus i gcomhpháirt le grúpaí áitiúla ar fud na tíre chuidigh na cláir a dtacaíonn muid leo go rathúil leis na mílte pobal, ag cur fostaíocht ar fáil, ag cuidiú le tionscnaimh as a n-eascaíonn buntáiste poiblí agus ag soláthar seirbhísí cúram leanaí do theaghlaigh.

- I mí Lúnasa sheol Pobal Céim 1 den chóras nua TFC don chlár LEADER ar son na Roinne Comhshaoil, Pobail agus Rialtais Áitiúil (an Roinn Ealaíon, Oidhreacht, Gnóthaí Réigiúnacha, Tuaithe agus Gaeltachta anois).

Luathbhlianta agus Daoine Óga

I dtaca le hobair Phobal thar ceann na Roinne Leanaí agus Gnóthaí Óige déanadh infheistíocht €197.8 milliún le torthaí páistí agus daoine óga in Éirinn a fheabhsú in éineacht le hinfeistíocht €6.4m don Chlár Óige Ceantarbhunaithe atá á pháirtmhaoiniú ag Atlantic Philanthropies freisin.

I mí na Samhna sheol Pobal Tuairisc Próifíle 2014/2015 Earnáil na Luathbhlianta. Tá an tuairisc seo aitheanta anois mar fhoinse chuimsitheach eolais faoi earnáil na Luathbhlianta in Éirinn agus sheol an tAire Katherine Zappone go hoifigiúil é ag Fóram Náisiúnta na Luathbhlianta.

Trí chóras an Ardáin Cur i bhFeidhm Clár cláraíodh 121,073 páiste trí spriocsheirbhísí luathbhlianta ar chláir a bhí dírithe ar pháistí; fuair 23,200 teaghlach táillí laghdaithe cúram leanaí; tacaíodh le 4,419 seirbhís éagsúil luathbhlianta.

Bhí leathnú arís i 2016 ar sheirbhísí an chláir ‘Tús níos Fearr’, tionscnamh náisiúnta a fhéachann le cur chuige comhtháite a bheith in Oideachas agus Cúram Luathbhlianta Páistí óna mbreith go dtí sé bliana d’aois.

Is léiriú iad na gnóthachain seo ar an tionchar atá ag an obair a dhéanann Pobal sna pobail ar fud fad na hÉireann. Tá ról s’againne i gcomhpháirt leis na Ranna Rialtais agus maoinitheoirí fórléathan, idir tacaíocht do sholáthar spriocsheirbhísí

luathbhlianta don dream is óige inár sochaí, go tacaíocht d’fhostaíocht áitiúil, go soláthar ar aláraim do sheanáirí a chónaíonn leo féin.

Ní éireodh linn aon chuid den obair seo a dhéanamh gan díograis agus tiomantas lucht foirne Phobal, a oibríonn go fórchrua chuile lá le deiseanna don phobal a fheabhsú. Ba mhaith liom mo bhuíochas ó chroí a ghlacadh le gach ball foirne as an obair chrua a dhéanann siad go seasta.

Ba mhaith liom freisin an deis seo a thapú le buíochas a ghlacadh le Bord Phobal a thugann a gcuid ama go deonach, agus lenár gCathaoirleach Seamus Boland a bhfuil fóirmheas ar a thacaíocht agus comhairle.

Mar POF táim thar a bheith bródúil as an obair a dhéanann muid chuile lá agus tá a fhios agam, agus muid ag fás linn i gcónaí, agus ag athrú le freastal ar riachtanais an Rialtais, go bhfuil an saineolas agus na daoine againn le coinneáil ag tacú le pobail ar feadh píosa fada amach anseo.

Fuair Seirbhís Cúram Leanaí Blacklion, Cuideachta faoi Theorainn Ráthaíochta, maoiniú caipitil i 2007 le hionad cúram leanaí pobail a thógáil i gceantar tuaithe Blacklion ar na teorainneacha idir An Cabhán, Fear Manach agus Liatroim.

Tá sé mar aidhm acu cúram leanaí d'ardchaighdeán ar phraghas réasúnta a chur ar fáil a thacaíonn le forbairt iomlánaíoch na leanaí uilig trí oibriú i bpáirt le tuismitheoirí, mar gurb iadsan na chéad oideoirí agus na

hoideoirí is tábhachtaí i saol na bpáistí. Ón am ar osclaíodh Cúram Leanaí Blacklion lean líon na bpáistí ag ardú ó uimhir íseal suas go 38 clárúchán i 2016, sin idir pháirtimseartha agus lánaimseartha. Tá seisear fostaithe go buan ag an ionad anois agus socrúchán acu do rannpháirtí Fostaíochta Pobail amháin agus beirt rannpháirtithe de chuid Tús. Faigheann Cúram Leanaí Blacklion maoiniú ó Phobal don chlár Fóirdheontas Cúram Leanaí sa Phobal, seo spriocthacaíocht a

chuidíonn le teaghlach ar ioncam íseal ó thaobh seirbhísí cúraim leanaí agus luathoideachais, don chlár Cúram agus Oideachas Luath-Óige (réamhscolaíocht in aisce – scéim COLÓ) – clár atá ar fáil do chuide pháiste idir 3-5 bhliana agus don chlár Oiliúna agus Fostaíochta i gCúram Leanaí a thacaíonn le tuismitheoirí incháilithe áiteanna cúram leanaí fóirdheontais a fháil le gur féidir leo féin freastal ar chúrsaí oiliúna agus filleadh ar obair.

D'oibrigh an tseirbhís ar Fhorbairt Náisiúnta Cáilíochta an chlár Tús níos Fearr i 2016, clár a sholáthraíonn Pobal ar son na Roinne Leanaí agus Gnóthaí Óige. Faoin gclár cuireadh meantóireacht ar an suíomh ar fáil le tacaíocht ó Speisialtóir Luathbhlianta de chuid an chlár Tús níos Fearr. Ba é ról an Speisialtóir Luathbhlianta ná oibriú i bpáirt leis an mbainistíocht agus leis an lucht foirne a bhí ag obair leis na páistí–Oideoirí Luathbhlianta Sheirbhís Cúram Leanaí Blacklion, le pleananna feabhsúcháin d'ardchaighdeán a

Chuir meantóir an chlár 'Tús níos Fearr' dea chleachtas leanúnach ar fáil don lucht foirne trí oibriú ag leibhéal na bpáistí agus trí úsáid a bhaint as scileanna breathnóireachta agus cumarsáide le foghlaim na bpáistí a fheabhsú agus a leathnú.

fhorbairt agus a fheidhmiú ag úsáid an Treoir Cleachtas Síolta de chuid Aistear. Bhain an grúpa foirne úsáid as an Treoir Cleachtas le tacaíocht ón Speisialtóir Luathbhlianta le caighdeán a gcuraclam a fhorbairt bunaithe ar Aistear: Creatchuraclam na Luath-Óige (2009) agus Síolta, Creat Náisiúnta Cáilíochta don Oideachas Luath-Óige (2006) rud a chuidigh leo ina dhiaidh sin le breis tacaíochta a thabhairt d'fhoghlaim agus d'fhorbairt an pháiste.

Idir Bealtaine 2016 agus Márta 2017 thug an Speisialtóir Luathbhlianta cúpla cuairt ar Sheirbhís Cúram Leanaí Blacklion. Baineadh úsáid as bealaí éagsúla don tacaíocht

mheantóireachta. Bhí cur chuige bunaithe ar láidreachtaí mar thaca leis an bpróiseas agus bhí comhráit leis na hOideoirí ar cheann de phríomhghnéithe na tacaíochta. Thug an Speisialtóir Luathbhlianta aiseolas béil faoina chéad tuairimí agus ar bhun leanúnach tríd an bpróiseas forbartha caighdeán.

D'oibrigh na hoideoirí agus an bainisteoir le chéile le linn an phróisis le fonn cleachtas d'ardchaighdeán a leabú sa tseirbhís agus a chinntiú go raibh an tseirbhís iomlán i gceist ann. Thug an bainisteoir deis don Speisialtóir Luathbhlianta cruinnithe duine le duine a bheith aici leis na

hoideoirí, rud a thug cúnamh do na hoideoirí staidéar a dhéanamh ar a gcleachtas ó thaobh céard, cén fáth agus cén chaoi.

D'oibrigh an Speisialtóir Luathbhlianta le hoideoirí uilig na seirbhísí le linn na gcuartheanna meantóireachta. Ba iad na príomhthacaíochtaí a soláthraíodh ná:

- feabhsú na timpeallachta foghlama
- deiseanna do pháistí le taithí éagsúla spraoi a fháil
- pleanáil agus measúnú i dtaca le foghlaim agus forbairt na bpáistí

Le linn a gcuid oibre ar fad le Tús níos Fearr d'oibrigh na hoideoirí go maith leis an Speisialtóir Luathbhlianta, ag déanamh athruithe sa timpeallacht le go mbeadh taithí spraoi níos fearr ag na páistí agus ag soláthar níos mó deiseanna do spraoi céadfach. Ó thaobh na hoibre i leith

pleanáil agus measúnú déanadh forbairt bhreise ar an gcaoi a ndéantar taifead ar fhoghlaim agus ar fhorbairt na bpáistí ag úsáid dialanna foghlama. Bíonn na dialanna foghlama úsáideach d'oidoírí le foghlaim na bpáistí a thaifead trína grianghraif, obair ealaíne, líníochtaí agus breithnithe a bhíonn bailithe ag na hoideoirí agus na páistí. Roinntear iad seo leis na tuismitheoirí agus tacaíonn sé seo tuilleadh lena gcomhpháirtíocht le tuismitheoirí.

Faoin gclár 'Tús níos Fearr' bhí baint ag Blacklion leis an Múnla um Rochtain agus Cuimsiú agus ghlac le tacaíocht ó speisialtóir luathbhlianta le taithí réamhscoile iomlánaíoch a chur ar fáil.

Dúirt Bainisteoir an Ionaid, Sarah Moffitt "D'aontaigh Cleachtóirí Luathbhlianta na seirbhíse oibriú le Speisialtóir Luathbhlianta le tacaíocht agus spreagadh a thabhairt d'fhorbairt caighdeán ar fud na heagraíochta. Mar chuid de

seo rinne meantóir' de chuid 'Tús níos Fearr' breithniú ar chleachtais agus thug faoi chumarsáid le lucht foirne le teacht ar na spriocanna ar leith don obair a bhí le déanamh agus chuir béim ar na réimsí ar theastaigh aird ar leith uathu le feabhas a chur ar sholáthar cleachtais ar ardchaighdeán. I measc na réimsí seo bhí forbairt curaclaim, le béim ar leith ar phleanáil gearrthréimhseach agus forbairt timpeallachtaí foghlama. Chuir meantóir an chlár 'Tús níos Fearr' dea-chleachtas leanúnach ar fáil don lucht foirne trí oibriú ag leibhéal na bpáistí agus trí úsáid a bhaint as scileanna breathnóireachta agus cumarsáide le foghlaim na bpáistí a fheabhsú agus a leathnú. Chuidigh sé seo le hidirghníomhaíocht na bpáistí lena gcomhaoiseacha agus le lucht foirne na seirbhíse a chothú agus a leathnú. Phléigh an meantóir a raibh tugtha faoi deara aici go minic leis an lucht foirne, á spreagadh le breathnú

De bharr na ndialann foghlama bhí deis againn grianghraif agus píosaí eile eolais a roinnt leis na tuismitheoirí faoin rud a bhí na páistí ag foghlaim agus anois cuireann muid iad seo abhaile acu go rialta. Chuidigh sé seo go mór linn ár gcomhráití agus ár gcumarsáid le tuismitheoirí a fheabhsú. Tugaim ardmholadh don chlár ‘Tús níos Fearr’

ar a gcleachtais, ag tairiscint treoir maidir le forbairt pleananna curaclaim agus ag tabhairt cúnamh faoin gcaoi le breithneoireacht a nascadh isteach sna pleananna. Mar bhainisteoir bhí ról suntasach ag Forbairt Cáilíochtaí an chlár Tús níos Fearr ag tacú leis an bhfoireann ó thaobh forbairt agus soláthar caighdeán laistigh den tseirbhís. Ba thaithí iontach é ó dhuine gairmiúil, eolach, sciliúil agus tacúil”

D’fhreagair sí ár gceistanna uilig i mbealach a bhí éasca le tuiscint. Chuidigh sí linn ár bpleanáil a fheabhsú le go mbeadh sé níos

dírthe ar na páistí. De bharr na ndialann foghlama bhí deis againn grianghraif agus píosaí eile eolais a roinnt leis na tuismitheoirí faoin rud a bhí na páistí ag foghlaim agus anois cuireann muid iad seo abhaile acu go rialta. Chuidigh sé seo go mór linn ár gcomhráití agus ár gcumarsáid le tuismitheoirí a fheabhsú. Tugaim ardmholadh don chlár ‘Tús níos Fearr’ “

Admhaíonn na Stiúrthóirí, faoi Alt 225(2) d'Acht na gCuideachtaí 2014, gur iadsan atá freagrach as a chinntiú go gcloítear leis na hoibleagáidí ábhartha atá ar an gcuideachta. Is iad Acht na gCuideachtaí 2014 agus dlí cánach na hÉireann na hoibleagáidí ábhartha.

Ráiteas maidir le Dualgas na Stiúrthóirí

Tá na Stiúrthóirí freagrach as tuairisc na stiúrthóirí agus na ráitis airgeadais a ullmhú de réir dhlí agus rialacháin infheidhme na hÉireann.

Faoi réir dhlí na gCuideachtaí in Éirinn caitheann Stiúrthóirí ráitis airgeadais a ullmhú do gach bliain airgeadais. Foin dlí tá sé socraithe ag na Stiúrthóirí na ráitis airgeadais a ullmhú de réir Caighdeán Tuairiscithe Airgeadais (CTA) 102. Faoi dhlí na gcuideachtaí níor cheart do stiúrthóirí glacadh leis na ráitis airgeadais mura bhfuil siad sásta go dtugann siad léiriú cruinn agus cóir ar shócmhainní, dlíteanais agus stádas airgeadais na cuideachta mar atá ag deireadh na bliana airgeadais, agus ar ioncam agus caiteachas na tréimhse sin agus go gcloíonn ar gach bealach eile le hAcht na gCuideachtaí 2014. In ullmhú na ráiteas airgeadais seo ní mór do na Stiúrthóirí:

- Polasaithe cuntasáochta cuí a roghnú agus iad a fheidhmiú go leanúnach
- Breithiúnais agus meastacháin réasúnta agus ciallmhar a dhéanamh
- Na ráitis airgeadais a ullmhú ar an mbunús gur gnóthas leantach é seachas mura bhfuil sé míchuí glacadh leis go leanfaidh an chuideachta léi ag feidhmiú
- Insint ar leanadh caighdeáin chuntasaíochta cuí in ullmhú na ráiteas airgeadais, na caighdeáin sin a aithint agus aird a dhíriú ar chúiseanna agus tionchar aon athrú ábhartha óna caighdeáin seo.

Tá dualgas ar na Stiúrthóirí a chinntiú go gcoinníonn an chuideachta leorthaifid cuntasáochta a thugann míniú agus taifead cruinn ar idirbhearta na cuideachta, a thugann léargas réasúnta cruinn i gcónaí ar

shócmhainní, dlíteanais, stádas airgeadais agus ioncam agus caiteachas na cuideachta agus a fhágann go mbítear cinnte go gcloíonn na ráitis airgeadais agus tuairisc na stiúrthóirí le hAcht na gCuideachtaí 2014 agus gur féidir na ráitis airgeadais a iniúchadh. Tá dualgas freisin orthu sócmhainní na cuideachta a choinneáil slán agus chuige sin céimeanna réasúnacha a thógáil ar mhaithe le feall agus mírialtachtaí eile a sheachaint agus a thabhairt faoi deara.

Ráiteas faoin Rialú Inmheánach Airgeadais

FREAGRACHT AS RIALÚ INMHEÁNACH AIRGEADAIS

Ar son Bhord Stiúrthóirí Phobal glacaim lenár bhfreagracht cinntiú go bhfuil córas éifeachtach um rialú inmheánach airgeadais in úsáid agus i bhfeidhm.

Níl an córas in ann ach dearbhú réasúnta, ní dearbhú iomlán, a thabhairt go bhfuil na sócmhainní sábháilte, go bhfuil na hidirbhearta údaraithe agus taifeadta i gceart, agus go bhfuil cosc ar earráidí ábhar nó mírialtachtaí nó go dtugtar faoi deara iad taobh istigh d'am réasúnta.

PRÍOMHGHNÁTHAIMH RIALAITHE

Ghlac Bord Phobal céimeanna a chinntíonn timpeallacht rialaithe chuí trína rudaí seo:

- Dualgais bhainistíochta a shonrú go soiléir, i struchtúr eagraíochtúil sainithe le deighilt shoiléir ar dhualgais
- Glacadh le prionsabail an rialachais corparáidigh atá i gCód Cleachtais 2009 um Rialú Comhlachtaí Stáit, ag tógáil méid agus nádúr ár n-eagraíochta san áireamh
- Gnásanna foirmiúla a bhunú le monatóireacht a dhéanamh ar ghníomhaíochtaí agus le sócmhainní na heagraíochta a choinneáil slán.

Tá próisis leagtha síos ag Bord Phobal le rioscaí gnó a aithint agus a mheas agus tá measúnú riosca don eagraíocht á fheidhmiú acu trí:

- Rioscaí móra straitéiseacha, airgeadais, feidhmiúcháin agus clú faoin eagraíocht a aithint
- Feiliúnacht agus láidreacht srianta bainistíochta i ndáil le réimsí riosca a mheas
- Aird a tharraingt ar phríomhréimsí riosca áit a dteastaíonn bainistíocht ar leith mar aon le fócas an

Choiste Airgeadais agus Iniúcháireachta.

Tá an córas um rialú inmheánach airgeadais bunaithe ar chreat um eolas rialta bainistíochta, gnáthaimh riaracháin a áiríonn roinnt amach dualgas agus córas tarmhligin agus freagrachta. Áiríonn sé go mórmór:

- Córas buiséadach cuimsitheach le buiséad bliantúil a aontaíonn agus a athbhreithníonn Bord na Stiúrthóirí
- Athbhreithnithe rialta Bhord na Stiúrthóirí ar thuairiscí airgeadais bhliantúla agus tréimhsiúla a léiríonn feidhmiú airgeadais i gcoinne réamhaisnéisí

I Ráiteas na bliana seo caite um Rialú Inmheánach Airgeadais nochtadh mírialtachtaí a measadh ag €500,000 i gcás na gclár An Fhóirdheontais Cúraim Leanaí sa Phobal agus Cúram agus Oideachas Luath-Óige. Tá áis chúraim leanaí na heagraíochta inár tharla na mírialtachtaí ar tí a bheith leachtaithe. Cuireadh é seo faoi bhráid na nGardaí agus tuigtear go bhfuiltear á fhiosrú faoi láthair. Toisc go bhfuil an grúpa seo á leachtú drochsheans go bhfaighidh Pobal aon chuid den ró-íocaíocht a rinne siad leis an eagraíocht sin.

Mírialtachtaí Airgeadais – Cásanna Eile

Tá sé chás á n-iniúchadh faoi láthair agus iad ag céimeanna éagsúla maidir lena gcríochnú. Is €11,840 uilig, go bhfios faoi, atá á fhiosrú sna cásanna seo.

D'eisigh an Roinn Caiteachais Phoiblí agus Athchóirithe ciorclán i Meán Fómhair 2014 (13/2014) ina raibh creat athbhreithne leagtha síos do bhainistiú deontas ón Státchiste mar aon le socruithe cuntasachta do na deontais seo. Bhí forálacha an Chiorcláin ag teacht i bhfeidhm ar an 1 Eanáir 2015. Tugtar sonraí thíos maidir le gnásanna Phobal chuige seo. le linn 2016 ó thaobh cead a fháil uathu deontaithe a réamhchistiú. Trína Ranna líne gheobhaidh Pobal cead feasta ón Roinn Caiteachais Phoiblí agus Athchóirithe le go bhféadfaidh siad deontaithe a réamhchistiú.

Riarann Pobal 26 clár deontais ar son 7 Roinn Rialtais agus Oifig Rialtais. DEONTAIS PÁROLLA

Déanann Pobal riarachán ar phárolla 3 scéim (Tús, Scéim Shóisialta Tuaithe agus Gateway) don Roinn Coimirce Sóisialaí. Riar siad íocaíochtaí €171.9 milliún uilig i 2016. Feidhmíonn Pobal na scéimeanna ar son cuideachtaí um fhorbairt áitiúil, Údarás agus údaráis áitiúla (ar a dtugtar comhlachtaí feidhmiúcháin). Cuireann na comhlachtaí feidhmiúcháin comhairle ar Phobal faoina treoracha uilig maidir le hóc daoine, críochnú íocaíochtaí agus rátaí íocaíochta. Níl aon ról incháilitheachta, comhlíontachta ná monatóireachta ag Pobal i leith na n-íocaíochtaí seo.

DEONTAIS EILE

Faoi mar atá léirithe sa tábla thuas riarann Pobal roinnt deontas freisin do ranna rialtais agus lucht maoinithe eile. Tugtar léiriú thíos ar rialú Phobal ar na deontais seo.

SOLÁTHAR MAOINIÚ DEONTAIS

De réir an chiorcláin ní mór go bhfaighfí cead roimh ré ón Roinn Caiteachais Phoiblí agus Athchóirithe má bhíonn cistí á gcur ar fáil don deontaí sula mbíonn caiteachas taibhithe. Faigheann Pobal, mar dheontaí, réamh-mhaoiniú ó sheacht Roinn agus Oifig le go mbeidh ar a gcumas a gcuid clár a riar. Thug Pobal amach €257 milliún i ndeontais seirbhísí pobail i 2016 agus bhí an €257 milliún réamhchistithe. Is iad na ranna maoinithe na forais bronnta do na deontais seirbhísí pobail. Riarann Pobal na deontais pobail ar son na ranna rialtais. Féachfaidh Pobal le cead na Roinne Caiteachais Phoiblí agus Athchóirithe a fháil in Iúil 2017 le maoiniú a chur ar fáil sula dtaibhítear an caiteachas ábhartha.

Is gné thábhachtach i leith bainistiú agus cuntasacht

éifeachtach é an comhaontú leibhéal seirbhíse ina leagtar síos na hacmhainní a bhíonn á gcur ar fáil agus an aschur a bhíonn le seachadadh. Tá comhaontuithe leibhéal seirbhíse ag Pobal lena gcuid ranna maoinithe uilig.

ATHBHREITHNIÚ, MONATÓIREACHT AGUS COMHLÍONADH

Bíonn comhaontú deontais ag dul le formhór na ndeontas a eisíonn Pobal ina mbíonn na téarmaí agus coinníollacha a théann leis an deontas ceadaithe. Ag teacht le coinníollacha an chláir maoinithe d'fhéadfadh sé, le linn saolré an deontais, go gcaitheadh Deontaithe tuairisc airgeadais agus neamhairgeadais a thabhairt go tréimhsiúil, ag áireamh tuairisc chaiteachais agus aschuir. Seoltar isteach an tuairisciú i bhformáid ar leith agus d'fhéadfadh tuairisciú leictreonach a bheith i gceist anseo. Déanann Pobal athbhreithniú ar na tuairiscí uilig a sheoltar isteach agus freisin ar an doiciméadú tacaíochta lena n-áirítear an próifíl caiteachais agus na tuairiscí monatóireachta le hincháilitheacht an chaiteachais agus dul chun cinn sásúil fheidhmiú an tionscadail in aghaidh gach ceadú deontais, a chinntiú. Feidhmíonn Pobal córas cascáide d'iniúchadh agus fíorú deontaithe mar atá sonraithe sna Comhaontuithe Leibhéal Seirbhíse. Tógann an mhodheolaíocht samplála bainistiú riosca agus riachtanais clár san áireamh.

FÁIL AGUS ATHBHREITHNIÚ NA RÁITEAS AIRGEADAIS

Go bliantúil, ag deireadh na bliana airgeadais, caitheann eagraíochtaí deontaithe ráitis airgeadais bhliantúla a sheoladh chuig Pobal go leictreonach nó tríd an bpost agus iad formáidithe de réir Ciorclán 13/2014.

Ag brath ar an gclár maoinithe déanann Pobal athbhreithniú ar na Ráitis Airgeadais Bhliantúla a áiríonn eolas faoin gcuideachta, tuairisc na Stiúrthóirí agus na nIníúcháirí agus na ráitis airgeadais féachaint le tuiscint a fháil ar rialú agus ar staid airgeadais na cuideachta ar dháta na gcuntas. Tógtar an t-eolas seo san áireamh agus iarratais á mbreithmheas do mhaoiniú sa todhchaí.

Leanfaidh Pobal orthu ag obair lena bpáirtithe maoinithe agus leis na deontaithe le feabhas a chur ar an gcomhlíonadh le riachtanais Chiorclán 13/2014 ‘Bainistiú agus Cuntasacht i leith Deontais Cistí Státhchiste’.

INIÚCHADH

Tá an Stiúrthóireacht um Chomhlíonadh, Iniúchadh & Riosca freagrach as an mbainistiú oibriúcháin ar na feidhmeanna iniúchta a bhaineann le comhlíonadh, fíorú agus riosca ó thaobh thairbhíthe go leor clár a mhaoiníonn Pobal. Ón taobh corparáideach de tá an Stiúrthóireacht um Chomhlíonadh, Iniúchadh agus Riosca freagrach freisin as comhordú éifeachtach na bhfeidhmeanna bainistíochta inmheánacha i leith iniúchadh agus riosca atá ag Pobal, cé go mbaineann formhór a gcuid oibre le cuairteanna láithreán ar thairbhíthe, faoi réir théarmaí chomhaontuithe éagsúla maoiniú deontais, a thugann cead rochtana ar thairbhíthe páirtí.

Tá trí aonad feidhme laistigh den Stiúrthóireacht um Chomhlíonadh, Iniúchadh & Riosca agus tugtar cuntas gearr orthu thíos.

1. Comhlíonadh

Áirítear sa ról comhlíontachta cuairteanna suímh neamhfhógartha ar sheirbhísí áitiúla cúraim leanaí

i réimse ar leith cláir oibriúcháin um chúram agus oideachas luath-óige a mhaoiníonn An Roinn Leanaí & Gnóthaí Óige. Go ginearálta, baineann na seiceálacha comhlíontachta le ceisteanna faoi sholáthar seirbhís cúraim leanaí mar aon le riachtanais ar leith clár. Ní dhíríonn siad go speisialta ar thairbhíthe airgeadais ná ceisteanna a bhaineann le rialachas ach tá nasc láidir acu leis na haonaid eile gnó laistigh den Stiúrthóireacht um Chomhlíonadh, Iniúchadh & Riosca (fíorú agus iniúchadh) agus malartaíonn eolas ábhartha go rialta. Déanadh 2,377 cuairt comhlíontachta i 2016, clúdaíonn seo 51% de na háiseanna uilig a raibh conradh acu faoi thrí chlár maoinithe na Roinne Leanaí & Gnóthaí Óige.

2. Fíorúchán

Déantar, ar son réimse Ranna Rialtais, cuairteanna fíorúcháin ar thairbhíthe a fhaigheann cúnaimh deontais. Bíonn fócas airgeadais i gceist sna cuairteanna seo agus féachann le dearbhú go bhfuil an t-airgead deontais, idir caipiteal agus oibriúcháin, á chaitheamh ar na críocha a bhí i gceist de réir rialacha an chláir, coinníollacha conartha, srl. Fíoraíodh 139 deontas i 2016 mar thoradh ar chuairoteanna suímh ar 126 tairbhí.

3. Bainistiú Riosca agus Rialú Inmheánach

Tagann roinnt réimsí feidhme isteach faoin bhfotheideal seo agus tugtar achoimre orthu thíos:

- Iniúchtaí riosca ar thairbhíthe, a dtugtar fúthu go heisceachtúil de ghnáth i roinnt bheag cásanna nuair a aithnítear deacracht ar leith, mar shampla i gcás míleithreasú iarbhír/amhrasta, nó easpaí tromchúiseacha i mbainistiú airgeadais agus/nó sa rialú corparáideach.
- Iniúchadh inmheánach, atá ar fochonradh faoi láthair

ag gnólacht gairmiúil seachtrach cuntasáíochta (Mazars), agus iad freagrach as athbhreithniú neamhspleách ar thaifid chuntasáíochta agus córais rialú inmheánach Phobal.

- Riosca corparáideach, seo bainistiú agus comhordú ar chlár riosca Phobal

Faigheann an Bord a gcuid eolais monatóireachta ar éifeachtacht an rialaithe inmheánaigh uathu seo:

- An Fochoiste um Iniúchadh, Airgeadas & Riosca, iadsan a dhéanann maoirsiú ar obair an fheidhm iniúchta inmheánaigh, agus obair comhlíontachta fíorúcháin agus iniúcháireachta a dhéanann an Stiúrthóireacht um Chomhlíonadh, Iniúchadh & Riosca.
- Na Bainisteoirí Feidhmiúcháin, a bhfuil freagracht orthu as feidhmiú laethúil an chreata um rialú inmheánach
- An tArd-Reachtaire Cuntas agus Ciste a dhéanann iniúchtaí reachtúla go bliantúil.

ATHBHREITHNIÚ BLIANTÚIL AR RIALÚ

Dearbhaím go ndearna an Bord athbhreithniú ar éifeachtacht an chórais um rialú inmheánach airgeadais don bhliain dar críoch 31 Nollaig 2016.

Sínithe ar son an Bhoird.

Tuairisc an Ard-Reachtair Cuntas agus Ciste

Comptroller and Auditor General

Report for presentation to the Houses of the Oireachtas

Pobal

I have audited the financial statements of Pobal for the year ended 31 December 2016 under Section 5(2)(a) of the Comptroller and Auditor General (Amendment) Act 1993. The financial statements comprise the statement of income and expenditure and retained revenue reserves, the statement of financial position, the statement of cash flows and the related notes. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and generally accepted accounting practice in Ireland.

Responsibilities of the directors

The directors are responsible for the preparation of the financial statements, for ensuring that they give a true and fair view and otherwise comply with the Companies Act 2014 and for ensuring the regularity of transactions.

Responsibilities of the Comptroller and Auditor General

My responsibility is to audit the financial statements and to report on them in accordance with applicable law.

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation.

My audit is carried out in accordance with the International Standards on Auditing (UK and Ireland) and in compliance with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements, sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of

- whether the accounting policies are appropriate to the company's circumstances, and have been consistently applied and adequately disclosed
- the reasonableness of significant accounting estimates made by the directors in the preparation of the financial statements, and
- the overall presentation of the financial statements.

I also seek to obtain evidence about the regularity of financial transactions in the course of audit.

In addition, I read the company's annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies, I consider the implications for my report.

Opinion on the financial statements

In my opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2016 and of its income and expenditure for 2016; and
- have been properly prepared in accordance with generally accepted accounting practice in Ireland; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Matters on which I am required to report by the Companies Act 2014

I have obtained all the information and explanations that I consider necessary for the purposes of my audit. In my opinion, the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

In my opinion, the information given in the directors' report is consistent with the financial statements.

Matters on which I report by exception

I report by exception if I find

- any material instance where money has not been applied for the purposes intended or where the transactions did not conform to the authorities governing them, or
- the information given in the company's annual report is not consistent with the related financial statements or with the knowledge acquired by me in the course of performing the audit, or
- the statement on internal financial control does not reflect the company's compliance with the Code of Practice for the Governance of State Bodies, or
- the disclosures of directors' remuneration and transactions as specified by the Companies Act 2014 are not made, or
- there are other material matters relating to the manner in which public business has been conducted.

I have nothing to report in regard to those matters upon which reporting is by exception.

Braitheann Íocaíochtaí Deontais ar an leithdháileadh airgid a thagann ón roinn maoinithe agus ar aon athrú a d'fhéadfadh tarlú de bharr cinntí Rialtais. Mar bhaill den chuideachta, níl aon dliteanas ar Bhord na Stiúrthóirí i leith leithdháileadh airgid na ranna maoinithe ná as Íocaíochtaí Deontais.

Faoin Meabhrán Tuisceana a chlúdaíonn na scéimeanna seo tá freagracht ar Phobal na socrúithe maidir le fáil ar ais na ró-íocaíochtaí seo óna rannpháirtithe gníomhacha a leanúint suas. 19. PINSIN

“Feidhmíonn an chuideachta scéim pinsin le ranníocaíocht shainithe atá ceadaithe ag na Coimisinéirí Ioncaim. Cuireann an chuideachta ranníocaíocht 10% d’ollthuarastal aon fhostaí a ghlacann leis an scéim isteach ann dóibh. Bíonn ar an bhfostaí ranníocaíocht 5% ar a laghad dá n-ollthuarastal a chur ann. Tá 6 lontaobhaithe ag an scéim atá freagrach as reachtáil na scéime de réir gníomhas agus rialacha an lontaobhais, ar son leas na dtairbhíthe. Chomh maith leis sin déanann na hlontaobhaithe:

- monatóireacht leanúnach ar fheidhmiú na gcistí infheistithe
- cinnte go n-íoctar na ranníocaíochtaí de réir riachtanais reachtacha Acht na bPinsean.
- bainistiú laethúil na scéime pinsin a thabhairt do Acumen & Trust Ltd.
- bainisteoirí speisialta a cheapadh le cistí na scéime a bhainistiú.

Chosain an scéim pinsin €877,830 ar an gcuideachta i 2016 (2015: €783,331), agus íocadh €847,326 (2015: €754,179) de seo isteach sa gciste mar Ranníocaíochtaí Fostóra. Bhain an chuid eile den chostas le Táillí Riaracháin. Ó tugadh isteach riachtanais reachtúla maidir le hoiliúint iontaobhaithe i bhFeabhra 2010 rinne na hlontaobhaithe freastal ar oiliúint chreidiúnaithe fhoirmiúil. Faoi bhratscém Phobal tá siad freagrach freisin as maoirseacht 61 scéim eile pinsin de chuid ghrúpthairbhíthe Phobal.”

20. BAILL AN BHOIRD – NOCHTADH IDIRBHEARTA

“Is iad mórphearsanra bainistíochta Phobal an dream leis an údarás agus freagracht i leith pleanáil, treorú agus rialú ghníomhaíochtaí an aonáin. Ar an mórphearsanra bainistíochta sin tá an POF, pearsanra agus baill Bhord na Stiúrthóirí.

Is é an cúiteamh iomlán a híocadh leis an mórphearsanra bainistíochta ag áireamh táillí agus costais Bhord na Stiúrthóirí agus luach saothair iomlán an POF ná €202,736 (2015: €203,952). Is ar bhonn deonach a oibríonn Stiúrthóirí an Bhoird agus ní fhaigheann aon táillí ná luach saothair as an am i mbonn na ndualgas seo.

Féach Nóta 9 le briseadh síos a fháil ar an luach saothair agus na sochair a íoctar leis an mórphearsanra bainistíochta.”

“Glacann Pobal le gnásanna a chlúdaíonn leasa pearsanta bhaill an Bhoird de réir na dtreoirlínte atá eisithe ag an Roinn Caiteachais Phoiblí agus Athchóirithe. D’fhéadfadh Pobal, i mbonn gnáthchúrsaí gnó, deontais a cheadú nó dul isteach i gcomhaontuithe conartha le aonáin lena n-oibríonn baill de chuid Bhord Phobal nó ag a bhfuil leas éigin eile acu iontu.

Sna cásanna go bhféadfadh sé go mbeadh coimhlint leasa i gceist ní thugtar doiciméadú do bhaill an Bhoird ná ní ghlacann siad páirt ná ní fhreastalaíonn ar chomhráití a bhaineann leis na hidirbhearta sin. Coinnítear clár de na himeachtaí seo uilig agus tá sé ar fáil ach é a éileamh.

Ní raibh gá le, ná níor déanadh, nochtadh dá leithéid seo i 2016.”

About Pobal

Who we are and what we do

Pobal is a not-for-profit company that manages programmes on behalf of the Irish Government and the EU. We are an intermediary that works on behalf of Government to support communities and local agencies toward achieving social inclusion, reconciliation and equality. We do this by managing funding and providing resources for suitable programmes. In 2016, we provided management and support services to circa 24 programmes for four different government departments and EU bodies.

Pobal's activities and priorities are shaped by the context and policies laid out in several reports, including the Programme for Government – Government for National Recovery 2011-2016, the Action Plan for Jobs, and Pathways to Work.

Pobal operates from offices in Dublin, Monaghan, Sligo, Clifden, Letterkenny and Cork. New offices were also sourced during 2016 in Galway city, Limerick and Kilkenny.

Our Vision

Pobal believes that individuals, groups and communities should be supported to reach their potential, have their views heard and valued and their rights respected. Pobal will use its experience and expertise to contribute to positive outcomes for individuals, groups and communities through the Programmes we manage on behalf of Government, EU and other partners.

Our Mission

Pobal's Mission is to work on behalf of Government and in partnership with our various stakeholders to improve outcomes, particularly for people experiencing disadvantage and social exclusion. We will use our programme management experience to bring an integrated approach to programme design, monitoring and delivery. We will support our beneficiary groups to achieve positive outcomes for individuals, groups and communities and we will work to achieve value for money for Government.

Faoi Phobal

Is cuideachta neamhbhrabúis é Pobal a bhainistíonn cláir thar ceann Rialtas na hÉireann agus an AE.

Is idirghabhálaí muid a oibríonn ar son an Rialtais agus tugann tacaíocht do phobail agus do ghníomhaireachtaí áitiúla ar mhaithe le cuimsiú sóisialta, athmhuintearas agus comhionannas a bhaint amach. Déanann muid é seo trí mhaoiniú a bhainistiú agus trí acmhainní a chur ar fáil do chláir cú. I 2016 chuir muid, ar son ceithre roinn éagsúil rialtais agus comhlachtaí AE, seirbhísí bainistíochta agus tacaíochta ar fáil do timpeall 24 clár.

Bunaítear gníomhaíochtaí agus tosaíochtaí Phobal ar an gcomhthéacs agus ar na polasaithe atá leagtha síos i roinnt tuairiscí, ina measc, Clár an Rialtais - Rialtas um Théarnamh Náisiúnta 2011-2016, An Clár Gníomhaíochta um Poist, Cosáin chun Oibre.

Oibríonn Pobal as oifigí i mBaile Átha Cliath, i Muineachán, Sligeach, An Clochán, Leitir Ceanainn agus Corcaigh. Le linn na bliana d'oscail muid oifigí freisin i gcathair na Gaillimhe, Luimnigh agus Chill Chainnigh.

Ár bhFís

Creideann Pobal gur cheart tacú le daoine aonair, le grúpaí agus le pobail le go mbainfidh siad amach a gcumas, le go bhfaighidh a dtuairimí éisteacht agus luacháil agus le go mbeidh meas ar a gcearta. Úsáidfidh Pobal a dtuairimí agus a gcuid saineolais agus cuideoidh le torthaí dearfacha a bhaint amach don duine aonair, do ghrúpaí agus don phobal as na Cláir a bhainistíonn muid ar son an Rialtais, an AE agus páirtithe eile.

Ár Misean

Is é Misean Phobal ná oibriú ar son an Rialtais agus i gcomhpháirt lenár bpáirtithe leasmhara éagsúla ar mhaithe le torthaí a fheabhsú, go háirithe dóibh siúd faoi mhíbhuntáiste agus eisiamh shóisialta. Úsáidfidh muid ár dtuairimí um bainistiú clár le go mbeidh cur chuige comhtháite i gceist i ndearadh, i monatóireacht agus i seachadadh clár. Tacóidh muid lenár ngrúpaí tairbhíocha le torthaí dearfacha a bhaint amach don duine aonair, do ghrúpaí agus pobail agus oibreimid ar son luach ar airgead don Rialtas.
