1. Message from the Cathaoirleach of Dublin and Dun Laoghaire ETB

In the first place, I wish to congratulate the staff of Dublin and Dun Laoghaire Education and Training Board for their hard work and caring support of the 22,000 day students and 28,000 beneficiaries in Further Education and Training.

This annual report is the fifth since the establishment of the Education and Training Board in 2013. It provides a summary of provision in the area across the wide range of activity in schools, centres and services. I am happy to stand over the quality of the education and training provided. What we do for our learners and clients is central to our purpose and there have been demonstrable improvements over the year. A considerable effort was made in 2018 to ensure that the Financial Statements were submitted in a timely manner. We were happy to meet all our statutory requirements. Our Public Affairs Officer has continued to develop a programme of work with the Audit Committee. Risk Management through a developed risk register has assisted in addressing gaps and seeing that mitigation of risk is managed. The building programme is always a challenge and no more so than in 2018. There was a big need for temporary accommodation in a large number of schools. A number of large building projects suffered from some delays unfortunately. Swords Community College opened in September hosted by St. Finians Community College. This school will be established to cater for 1000 pupils in the coming years. I commend this report to you.

Cllr Mick Duff
Cathaoirleach
DDLETB

2. Foreword by the Chief Executive Officer of Dublin and Dun Laoghaire ETB

This report is presented to show how the Education and Training Board is proceeding to meet the goals and priorities identified in the Strategy Statement. Each school and centre has contributed to the process of implementation. It is helpful that the stress in the strategy on learning and teaching has remained strong.

Further Education and Training (FET) continues to evolve. The strong attention paid by SOLAS to the planning process has had a big effect on the organisation of Further Education and Training. There has been a development of collaboration across the services allowing teachers and tutors insight into operations and challenges across the scheme. The ETB has entered a Strategic Dialogue with SOLAS which gives us a clear line of sight to overall government objectives.

Schools have continued to thrive with student numbers again growing. The developing focus on well-being in second-level has helped schools enhance positive learning experiences for students. At Primary level, innovation in teaching and learning remains central. Youth services have embarked on a significant new step with the Targeted Youth Fund. These projects should make a real difference in their communities.

It is a privilege to witness the great work of almost 4,000 staff who continue to bring new ideas to their engagement with students, learners and clients. We are grateful for the support of the board in working to ensure the best possible service for the community of this ETB.

Paddy Lavelle
Chief Executive Office

4. Organisation Support & Development (OSD)

The OSD strand of DDLETB continues to support the organisation in providing services in the functional areas of Finance, including payroll, HR, ICT and Corporate Services. Each of the functions consists of experienced staff who have extensive expertise and a wide range of skills. The demand of the support services is ever increasing with the continued growth of the organisation. During 2018, the programme of improvements within the OSD strand continued and included the following:

- Significant work in supporting the work of the Education Support Business Service (ESBS), which is being set up as a shared service for the ETB sector, with responsibility for payroll and finance. DDLETB will be one of the first ETBs to migrate to the national payroll function, anticipated for mid-2019
- Considerable progress towards full compliance with procurement regulations
- Administrative and technical support to the Board's large building/capital programme
- Enhanced and more time efficient recruitment process
- Development of a new learner payment system
- Enhancement of the governance framework
- Participation in a wide range of sectoral and public sector networks

DDLETB remains committed to the continuous improvement of its services through the revision of existing and identification of new business processes and systems.

6. Key relationships

One of Dublin and Dun Laoghaire ETB's strategic priorities is to work in partnership with the major stakeholders in the three counties of Fingal, South Dublin and Dun Laoghaire-Rathdown. To this end, the ETB works closely with the Department of Education & Skills, SOLAS and QQI in the provision of its services. It collaborates with a range of public bodies and providers of training and education. For example, Dublin and Dun Laoghaire ETB is a member of the Local Community Development Committees (LCDC) of the County Councils of Fingal, South Dublin and Dun Laoghaire/Rathdown. The ETB worked closely with the local partnership companies as well as having representation on the Governing Bodies of the Institute of Technology Tallaght, the Institute of Technology, Blanchardstown and the Institute of Art, Design and Technology in Dun Laoghaire. Dublin and Dun Laoghaire ETB has an interagency agreement with Department of Employment Affairs and Social Protection. Through the Youth Service, the ETB cooperates with national youth organisations and local youth groups who are represented in the area. Community Training is funded through our Training Centres for Local Training Initiatives, Community Training Centres and specialist training providers.

Throughout 2018 DDLETB engaged in a comprehensive consultation process with stakeholders in the preparation and development of the Strategic Performance Agreement 2018-2020. A set of targets appropriate to the catchment area, capacity, economic & employment opportunities and social needs were defined. SOLAS and DDLETB participated in an iterative process of dialogue leading to the Strategic Performance Agreement being formally approved and signed in September 2018. The Agreement sets out the context, strategic priorities and DDLETB contribution to achievement of key national FET sector targets.

During 2018 DDLETB FET services made significant progress towards the achievement of our strategic goals as set out in the *Statement of Strategy 2017-2021*. We designed and delivered innovative programmes responsive to the needs of the business community under the national policies of *Skills to Advance* and *Traineeship*. 1. Focal ó Chathaoirleach Bhord Oideachais agus Oiliúna Átha Cliath agus Dhún Laoghaire

Ar an gcéad dul síos, tá moladh mór ag dul d'fhoireann Bhord Oideachais agus Oiliúna Átha Cliath agus Dhún Laoghaire as an obair chrua a dhéanann siad agus as an tacaíocht lách a thugann siad do na 22,000 scoláire lae agus na 28,000 duine atá ag baint tairbhe as cúrsaí Breisoideachais agus Oiliúna.

Is í seo an cúigiú tuarascáil bhliantúil ó bunaíodh an Bord Oideachais agus Oiliúna in 2013. Tugtar achoimre inti ar an soláthar sa limistéar agus ar an réimse leathan gníomhaíochta sna scoileanna, ionaid agus seirbhísí. Tá mé sásta seasamh le cáilíocht an oideachais agus na hoiliúna atá á gcur ar fáil. Tá a ndéanamid dár gcuid foghlaimeoirí agus cliant ina ghné lárnach dár gcuspóir agus rinneadh feabhsuithe follasacha le himeacht na bliana. Rinneadh an-iarracht in 2018 a chinntiú go gcuirfí na Ráitis Airgeadais isteach in am is i dtráth. Bhíomar sásta gur chomhlíonamar na ceanglais reachtúla ina leith sin. Lean ár nOifigeach Gnóthaí Poiblí ag forbairt clár oibre i gcomhar leis an gCoiste Iníúcháireachta. Bhí bainistiú rioscaí trí chlár rioscaí forbartha ina chabhair againn le dul i ngleic le bearnaí inár gcur chuige agus lena chinntiú go mbainistítear maolú rioscaí. Bíonn an clár tógála ina dhúshlán i gcónaí ach, déanta na fírinne, bhí sé ní ba dhúshlánaí ná riamh in 2018. Bhí cóiríocht shealadach ag teastáil go géar i gcuid mhaith scoileanna. Is oth liom a rá go raibh moill ar roinnt mórthionscadail tógála chomh maith. D'oscail Coláiste Pobail Shoird i mí Mheán Fómhair agus é á óstáil ag Coláiste Pobail Fhinnéin. Bunófar an scoil seo le freastal ar 1,000 scoláire sna blianta amach romhainn. Cuirim an tuarascáil seo faoi bhur mbráid.

2. Réamhfhocal ó Phríomhfheidhmeannach Bhord Oideachais agus Oiliúna Átha Cliath agus Dhún Laoghaire

Tá an tuarascáil seo curtha i láthair le tuairim a thabhairt faoin gcaoi a bhfuil ag éirí leis an mBord Oideachais agus Oiliúna na cuspóirí agus na tosaíochtaí a shaináithnítear sa Ráiteas Straitéise a chomhlíonadh. Tá páirt glactha ag gach scoil agus gach ionad sa phróiseas cur chun feidhme. Tá sé ina chabhair go leagtar béim láidir sa straitéis ar an bhfoghlaim agus an teagasc go fóill.

Tá Breisoideachas agus Oiliúint (BOaO) ag forbairt i gcónaí. Tá athrú suntasach tagtha ar an gcaoi a n-eagraítear Breisoideachas agus Oiliúint mar gheall ar an aird a thug SOLAS ar an bpróiseas pleanála. Forbraíodh comhar idir na seirbhísí uile, rud a thugann léargas ar oibríochtaí agus dúshlán ar fud na scéime do na múinteoirí agus na teagascóirí. Tá plé straitéiseach tosaithe ag an BOO le SOLAS d'fhonn tuiscint shoiléir a fháil ar a bhfuil i gceist le cuspóirí an Rialtais ar an iomlán.

Tá na scoileanna ag dul ó neart go neart agus méadú ag teacht arís ar líon na scoláirí. Chabhraigh an fócas nua ar an bhfolláine ar an dara leibhéal le scoileanna an fhoghlaime a fheabhsú agus a dhéanamh níos dearfaí do na scoláirí. Ar an leibhéal bunscóile, tá nuálaíocht sa mhúinteoireacht agus san fhoghlaim fós ina gné lárnach den chur chuige. Anois go bhfuil an Ciste Spriocdhírthe don Ógra ar an bhfód táimid i mbéal ré nua sna seirbhísí don ógra. Ba chóir go ndéanfadh na tionscadail seo fíordhíríocht sna pobail.

Is mór an onóir dom saothar iontach beagnach 4,000 ball foirne a fheiceáil ó lá go lá, daoine a leanann orthu ag obair le scoláirí, foghlaiméoirí agus cliaint ar bhealaí úrnua, nuálacha i gcónaí. Is mór againn tacaíocht an Bhoird agus muid ag obair chun an tseirbhís is fearr is féidir a chur ar fáil do phobal an BOO seo.

Príomhfheidhmeannach

Bhí próiseas comhairliúcháin le páirtithe leasmhara ar bun ag BOOÁCDL ó thús deireadh 2018 i dtaca leis an gComhaontú Feidhmíochta Straitéiseach 2018-2020 a ullmhú agus a fhorbairt. Tugadh sainmhíniú ar spriocanna is iomchuí don scoilcheantar, don acmhainn, do dheiseanna geilleagracha agus fostaíochta agus do na riachtanais shóisialta. Ghlac SOLAS agus BOOÁCDL páirt i bpróiseas plé atriallach sular glacadh leis an gComhaontú Feidhmíochta Straitéiseach go foirmiúil agus sular síníodh i mí Mheán Fómhair 2018 é. Leagtar amach sa Chomhaontú an comhthéacs agus na tosaíochtaí straitéiseacha, mar aon leis an gcion atá le déanamh ag BOOÁCDL, chun príomhspríocanna earnála BOaO a bhaint amach.

Rinne seirbhísí BOaO BOOÁCDL an-dul chun cinn le himeacht 2018 i dtreo ár spriocanna straitéiseacha, mar atá leagtha amach in *Ráiteas Straitéise 2017-2021*, a bhaint amach. Chuireamar cláir nuálacha, atá freagrúil do riachtanais an lucht gnó, i dtoll a chéile agus thosaíomar á gcur ar fáil faoi na beartais náisiúnta de *Scileanna le dul chun cinn a dhéanamh agus Cúrsaí Oiliúna*. Leanaimid orainn ag forbairt acmhainní do mhúinteoirí, teagascóirí agus ceannairí a bhfuil spéis acu i bhForbairt Ghairmiúil Leanúnach (FGL) san Fhoghlaim le Cuidiú Teicneolaíochta (FCT). I mí na Nollag 2018, seoladh Ionad Oiliúna Réigiúnach *Apple* i gcomhar le BOOÁCDL. Cuireann sé cúrsaí ar fáil do mhúinteoirí le cabhrú leo scileanna agus muinín a fhorbairt in úsáid teicneolaíochtaí de chuid *Apple* sa seomra ranga. D'óstáil Ionad Oiliúna Bhaile Dúill ár dtríú Chomhdháil maidir leis an bhFoghlaim le Cuidiú Teicneolaíochta i mí Mheán Fómhair 2018 agus d'fhreastail breis is 150 cleachtóir BOaO uirthi.
