ANNUAL REPORT AND ACCOUNTS 2022

To the Minister for Agriculture, Food, and the Marine

In accordance with section 38(1) of the Fisheries (Amendment) Act 1997, the Aquaculture Licences Appeals Board (ALAB) herewith presents its twenty-fourth Annual Report and Financial Statement for the year ending 31st December 2022.

Imelda Reynolds

Chairperson

28 September 2023

INTRODUCTION BY CHAIRPERSON

I am pleased to present the Annual Report of the Aquaculture Licences Appeals Board (ALAB) for the year 2022. In addition to fulfilling its primary function of reporting to the Minister for Agriculture, Food and the Marine (‘the Minister’) on the activities of the Board, it is hoped that the Report will provide useful information to all involved in the appeals process and to the wider aquaculture industry.

The Board continued to operate in an efficient manner throughout the year, fulfilling its function to provide an independent appeal authority to adjudicate on decisions of the Minister on aquaculture licence applications.

In terms of the number of appeals, 2022 was a quiet year with only three appeals received. However, sixty-six (66) appeals were on hand at the start of the year and the Board concentrated on the consideration of these appeals, arriving at determinations in a total of thirty-two (32). By the end of the year there were thirty-seven (37) appeals on hand.

This Report contains detailed information on, and analysis of, all appeals and determinations.

The Board notes that the Report of the Independent Aquaculture Licencing Review Group, May 2017, made a number of recommendations which were designed to both improve the quality and clarity of applications and to facilitate a timely decision-making process. In this context the Board initiated a number of projects aimed at improving its systems which it is hoped will reach fruition in 2023. These include a redesign of the ALAB website to make information more accessible and processes more transparent. In due course it is intended that the website will facilitate the online submission of applications and fees.

Notably, the end of the year saw the departure of two very valued members of the Board Michael Sweeney and John Ward. Michael Sweeney was the longest serving member of the Board having joined in 2009 and served as deputy Chairperson since 2018. John Ward served as a member of the Board since 2020. I would like to take this opportunity to acknowledge their contribution to the work of the Board and the expertise and experience they brought to the Board’s decision making.

I would also like to take this opportunity to acknowledge the contributions of all ALAB Board members, ALAB staff and all external service providers, who were instrumental in assisting and supporting ALAB in delivering its statutory responsibilities during 2022. As an organisation ALAB is managing a great deal of change while also striving to maintain and uphold its good performance. I would particularly like to acknowledge the real commitment of the ALAB Board members to the values of independence, integrity, professionalism, and fairness. It has been a great pleasure to work with you during 2022.

I would also like to express appreciation to the officials from the Department of Agriculture Food and the Marine and to all other State Bodies with which ALAB interacts for their support and assistance during the year. I look forward to continuing to work with the ALAB staff and Board Members as we continue the important work of ALAB in the coming years.

FUNCTION

The Board operates under the aegis of the Department of Agriculture, Food, and the Marine.

The function of the Board is to provide an independent authority for the determination of appeals against decisions of the relevant Minister on aquaculture licence applications. A person aggrieved by a decision of the Minister on an aquaculture licence application, or by the revocation or amendment of an aquaculture licence, may make an appeal within one month of publication (in the case of a decision) or notification (in the case of revocation/amendment).

STATUS

The Board is an independent body with its own funding provided for by the Oireachtas under Section 36 of the 1997 Act.

COMPOSITION OF BOARD

Section 23(2) of the 1997 Act provides that the Chairperson of the Board shall be appointed by the Government.

In accordance with Section 23(3) of the 1997 Act, the Minister for Agriculture, Food, and the Marine ("the Minister") may make regulations prescribing not less than two organisations to nominate members of the Board. Those organisations should, in the Minister's opinion, be representative of the following groupings:

- a) organisations concerned with the promotion of the development of aquaculture or representative of persons carrying on the business of developing aquaculture.
- b) organisations concerned with the conservation, development, and protection of wild fisheries.
- c) organisations representative of persons whose professions or occupations relate to physical planning and development.

RESPONSIBILITIES

The 1997 Act details the main responsibilities and powers of the Board, which are summarised as follows:

Under Section 40(4) of the 1997 Act, on receipt of an appeal by the Board and provided it is not withdrawn, the Board can determine the appeal by:

- a) confirming the decision or action of the Minister.

- b) determining the application for the licence as if the application had been made to the Board in the first instance; or
- c) in relation to the revocation or amendment of a licence, substituting its decision on the matter for that of the Minister.

Under Sections 43 and 44 of the 1997 Act, the Board must send a copy of the notice of appeal to the Minister and to each other party to the appeal.

Under Section 46 of the 1997 Act, the Board can request submissions or observations from parties or other persons who have already made submissions or observations to the Board in relation to an appeal, if, in the opinion of the Board and in the circumstances, it is in the interests of justice to do so.

Under Section 47 of the 1997 Act, the Board can request documents, particulars, or other information it considers necessary for the purpose of enabling it to determine an appeal.

Under Section 49 of the 1997 Act, the Board has the absolute discretion to hold an oral hearing of an appeal.

Under Section 56 of the 1997 Act, the Board is required to ensure that appeals are dealt with and determined expeditiously and that all steps are taken to avoid unnecessary delay.

CONSULTANTS AND ADVISORS

Under Section 35 of the 1997 Act, the Board may engage such consultants or advisors as it considers necessary for the performance of its functions. Fees due to consultants and advisors are paid by the Board out of monies made available by the Oireachtas. The Board has hired and will continue to hire consultant Technical Advisers when necessary. The Board also engages other advisors as required to support its work. A list of the persons engaged by the Board during the year in review is included in Appendix I.

The Board has established a pattern of meeting in person four times each year while continuing to avail of the efficiencies associated with online meetings.

AUDIT COMMITTEE

There is one sub-committee to the Board - the Audit and Risk Committee - and I wish to record my great appreciation of this Committee's work. The role of the Audit and Risk Committee (ARC) is to support the Board in relation to its responsibilities for issues of risk, control and governance and associated assurance. During the year in review the Audit Committee met on five (5) occasions and reports of its meetings were made available to the ALAB Board.

IRISH LANGUAGE COMMITMENT

ALAB is committed to implementing the relevant parts of the Official Languages Act 2003 and the Official Languages (Amendment) Act 2021 which came into force in October 2022. The latter requires all public bodies to undertake at least 20% of their annual advertising in Irish and 5% of their advertising in Irish language media. ALAB will continue to review its advertising procedures to ensure that it meets these targets.

CODE OF ETHICS AND BUSINESS CONDUCT

The Code of Practice for the Governance of State Bodies requires a written code of conduct for Board members and employees. A Code of Ethics and Business Conduct is in place for all the members of the Board and is posted on the website at www.alab.ie.

In addition, members and certain staff are subject to the requirements of the Ethics in Public Office Acts, 1995 and 2001, and yearly statements of registrable interests are made under the Acts.

Board members and certain staff are also required to make declarations/disclosures of interests in accordance with Section 33 of the 1997 Act.

CONSULTATIONS WITH OTHER BODIES

The Board keeps itself informed of the policies of certain bodies whose functions have a bearing on its work. These include other Government Departments and State Agencies.

PUBLIC SECTOR EQUALITY AND HUMAN RIGHTS DUTY

Section 42 of the Irish Human Rights and Equality Commission Act 2014 imposes a statutory obligation on public bodies in performing their functions to have regard to the need to:

1. Eliminate discrimination.
2. Promote equality of opportunity and treatment for staff and persons to whom it provides services and
3. Protect the human rights of staff and service users.

The Board endeavours to facilitate access to our services for all members of the public in as far as it is reasonable and practicable.

GENDER BALANCE IN THE BOARD MEMBERSHIP

Throughout 2022 the Board consisted of one (14.29%) female and 6 (85.71%) male members.

The Board therefore does not meet the Government target of a minimum of 40% representation of each gender in the membership of State Boards. The retirement of two Board members at the end of the year provides an opportunity to address this imbalance.

ALAB has no role in relation to the Board appointments other than indicating to the Minister that ALAB does not fulfil the gender balance target. In accordance with the Act, Board members are appointed by the Minister after seeking nominations from the specified organisations.

BOARD PERFORMANCE REVIEW

Monitoring of effective corporate governance by the Board includes continuous review of the internal structure of the State body to ensure that there are clear lines of accountability for management throughout the organisation.

DIVERSITY

The Board recognises the value of differences in its members (e.g., personality, learning styles, and life experiences) and group/social differences (e.g., ethnicity, social class, gender, sexual orientation, disability, membership of the Traveller community, family status, cultural, political, religious, or other affiliations) to improve the quality of work and decision making on the Board.

DATA PROTECTION AND GDPR

Data Protection legislation is in place to protect the natural person with regard to the processing of personal data.

PROMPT PAYMENTS

ALAB comes within the scope of the Prompt Payment of Accounts Act 1997, as amended by the European Communities (Late Payment in Commercial Transactions) Regulations 2002.

It is ALAB's policy to comply with the relevant provisions of the Act and, in particular, to ensure that all invoices are paid promptly. Prompt Payment Returns are posted on the website at www.alab.ie.

GREEN GOVERNMENT INITIATIVE

Following the Government's introduction of the Green Government Initiative to facilitate Departments and public bodies to lead the way in reducing the use of single use plastics and to improve and increase recycling, ALAB produced 'Our Environmental Sustainability Policy'.

This policy aims to reduce the impact of ALAB's operations on the environment, through its 'Green Agenda' initiative. No single-use plastics are in use and glassware is in use throughout the office. The Board had previously adopted the use of a paperless data management system which effectively reduces costs by eliminating the use of large amounts of paper, ink, and electricity.

The introduction of online Board meetings and their continued use has significantly reduced the amount of travel undertaken as part of the business of the Board.

FREEDOM OF INFORMATION (FOI) AND ACCESS TO INFORMATION ON THE ENVIRONMENT (AIE)

The Freedom of Information Act and Access to Information on the Environment Regulations provide for access to certain information on ALAB's operations. Disclosure Logs are available on the ALAB website.

Four (4) FOI requests were received in 2022 with details provided in the table below:

FOI Reference No.	Summary of Actions

OIREACHTAS MEMBERS LIAISON

In 2022 twenty-one (21) queries were received from members of the Oireachtas. A substantive reply to each query issued within the ten (10) working days response time.

PLAIN ENGLISH PROJECT

As an organisation who engages regularly with the public, ALAB recognises the importance of presenting information clearly and concisely.

The Secretary and ALAB staff continue to build their knowledge and experience in Plain English. ALAB continues to revise general information and guidance to comply with Plain English standards, where possible.

EVENTS AFTER THE REPORTING DATE

The easing of COVID-19 restrictions allowed for a return of the Secretariat to the Office and the opening of the Office to the public during normal working hours.

Governance Statement and Board Members' Report

Governance

The Aquaculture Licences Appeals Board was established on 17 June 1998 under Section 22 of the Fisheries (Amendment) Act, 1997. The function of the Board is to provide an independent authority for the determination of appeals against decisions of the Minister for Agriculture, Food and the Marine on aquaculture licence applications.

Board Responsibilities

The work and responsibilities of the Board are set out in Sections 40 to 60 of the Fisheries (Amendment) Act, 1997. Standing items considered by the Board include:

- Declaration of interests
- Reports from committees
- Financial reports/management accounts, and
- Appeals in progress

Section 37 (1) of the Fisheries (Amendment) Act, 1997 requires the Aquaculture Licences Appeals Board to keep, in such form as may be approved by the Minister for Agriculture, Food and the Marine with consent of the Minister for Public Expenditure and Reform, all proper and usual accounts of money received and expended by it.

In preparation of those statements the Board is required to:

- Select suitable accounting policies and apply them consistently,
- Make judgements and estimates that are reasonable and prudent,
- State whether the financial statements have been prepared in accordance with applicable accounting standards,
- Prepare the financial statements on the going concern basis.

The Board is responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the Board and which enable it to ensure that the financial statements comply with Section 37 (1) of the Fisheries (Amendment) Act, 1997. The Board is also responsible for safeguarding the assets of the Board and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Board considers that the financial statements of Aquaculture Licences Appeals Board give a true and fair view of the financial performance and the financial position of the Aquaculture Licences Appeals Board at 31 December 2022.

In particular the Committee ensures that the internal control systems including audit activities are monitored actively and independently. The ARC reports to the Board after each meeting.

The members of the Audit and Risk Committee are: Mr Michael Sweeney (Chairperson), Mr John Evans and Mr Bill Sweeney. There were 5 meetings of the ARC in 2022.

Statement of Compliance

The Board has adopted the Code of Practice for the Governance of State Bodies (2016) ("the Code") and has put procedures in place to ensure compliance with the Code. Aquaculture Licences Appeals Board was in full compliance with those provisions of the Code which apply it save for the following:

- The provisions of the Code concerning appointment, number, grading and conditions of all staff, including remuneration and superannuation do not apply to ALAB as all its staff are seconded from the Department of Agriculture, Food and the Marine ("DAFM").
- Given the size and scale of ALAB and the fact it is constituted solely to determine appeals pursuant to the Act, the Board is of the view that a formal strategic plan is not required. ALAB has agreed an Oversight and Performance Delivery Agreement 2021 - 2023 and this is currently in the process of being executed by both parties. This agreement has incorporated matters which might ordinarily be comprised in a strategic plan.
- ALAB does not have a Chief Risk Officer. Given the size and scale of ALAB's operation the Board has formed the view that risk can be managed between the Secretary, the Audit and Risk Committee and the Board itself.
- ALAB has contracted with an internal auditor to carry out this function. The Board does engage external expertise periodically where appropriate and in particular to undertake an annual review of internal controls.
- ALAB does not have a formal Corporate Procedure Plan. Given the size and scale of ALAB the Board has formed the view that such a plan is not required.
- ALAB does not have a Customer Charter. Given the nature of ALAB, the Board has formed the view that such a Charter is not appropriate.

Statement on Internal Control

Scope of Responsibility

On behalf of Aquaculture Licences Appeals Board, we acknowledge our responsibility for ensuring that an effective system of Internal Control is maintained and operated in the organisation. This responsibility takes account of the requirements of the Code of Practice for the Governance of State Bodies (2016).

Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a tolerable level rather than to eliminate it. The system can therefore only provide reasonable, and not absolute assurance that assets are safeguarded, transactions authorised and properly recorded, and that material errors or irregularities are either prevented or detected in a timely way.

The system of internal control, which accords with guidance issued by the Department of Public Expenditure and Reform has been in place in Aquaculture Licences Appeals Board for the year ended 31 December 2022 and up to the date of approval of the financial statements.

Capacity to Handle Risk

Aquaculture Licences Appeals Board has an Audit and Risk Committee (ARC) comprising of three Board members. The ARC met 5 times in 2022.

Risk and Control Framework

Aquaculture Licences Appeals Board has implemented a risk management system which identifies and reports key risks and the management actions being taken to address and, to the extent possible, to mitigate those risks.

A risk register is in place which identifies the key risks facing Aquaculture Licences Appeals Board and these have been identified, evaluated and graded according to their significance. The register is reviewed and updated by the ARC on a quarterly basis. The outcome of these assessments is used to plan and allocate resources to ensure risks are managed to an acceptable level.

The risk register details the controls and actions needed to mitigate risks and responsibility for operation of controls assigned to specific staff. We confirm that a control environment containing the following elements is in place:

- Procedures for all key business processes have been documented,
- Financial responsibilities have been assigned at management level with corresponding accountability,
- There is an appropriate budgeting system with an annual budget which is kept under review by senior management, and by the Board,
- There are systems aimed at ensuring the security of the information and communication technology systems, and
- There are systems in place to safeguard the assets

Ongoing Monitoring and Review

Formal procedures have been established for monitoring control processes and control deficiencies are communicated to those responsible for taking corrective action and to the Board, where relevant, in a timely way. We confirm that the following ongoing monitoring systems are in place:

- Key risks and related controls have been identified and processes have been put in place to monitor the operation of those key controls and report any identified deficiencies.
- Reporting arrangements have been established at all levels where responsibility for financial management has been assigned, and
- There are regular reviews by the Board of periodic and annual performance and financial reports which indicate performance against budgets/forecasts.

Procurement

We can confirm that Aquaculture Licences Appeals Board has procedures in place to ensure compliance with current procurement rules and guidelines and that during 2022 Aquaculture Licences Appeals Board is fully compliant with those procedures.

Review of Effectiveness

We confirm that Aquaculture Licences Appeals Board has procedures in place to monitor the effectiveness of its risk management and control procedures. Aquaculture Licences Appeals Board's monitoring and review of the effectiveness of the system of internal financial control is informed by the work of external sourced internal and external auditors, the Audit and Risk Committee which oversees their work, and the Board of Aquaculture Licences Appeals Board who are responsible for the development and maintenance of the internal financial control framework.

Aquaculture Licences Appeals Board

Opinion on the financial statements

I have audited the financial statements of the Aquaculture Licences Appeals Board for the year ended 31 December 2022 as required under the provisions of section 37 of the Fisheries (Amendment) Act 1997. The financial statements comprise

- the statement of income and expenditure and retained revenue reserves
- the statement of financial position
- the statement of cash flows, and
- the related notes, including a summary of significant accounting policies.

In my opinion, the financial statements give a true and fair view of the assets, liabilities and financial position of the Aquaculture Licences Appeals Board at 31 December 2022 and of its income and expenditure for 2022 in accordance with Financial Reporting Standard (FRS) 102 — *The Financial Reporting Standard applicable in the UK and the Republic of Ireland*.

Basis of opinion

I conducted my audit of the financial statements in accordance with the International Standards on Auditing (ISAs) as promulgated by the International Organisation of Supreme Audit Institutions. My responsibilities under those standards are described in the appendix to this report. I am independent of the Aquaculture Licences Appeals Board and have fulfilled my other ethical responsibilities in accordance with the standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report on information other than the financial statements, and on other matters

The Aquaculture Licences Appeals Board has presented certain other information together with the financial statements. This comprises the governance statement and Board members' report, and the statement on internal control. My responsibilities to report in relation to such information, and on certain other matters upon which I report by exception, are described in the appendix to this report.

I have nothing to report in that regard.

Aquaculture Licences Appeals Board

Financial Statements for the Year ending 31 Decemeber 2022

Report of the Comptroller and Auditor General

Appendix to the report

Responsibilities of Board members

As detailed in the governance statement and Board members report, the Board members are responsible for

- the preparation of annual financial statements in the form prescribed under section 37 of the Fisheries (Amendment) Act 1997
- ensuring that the financial statements give a true and fair view in accordance with FRS102
- ensuring the regularity of transactions
- assessing whether the use of the going concern basis of accounting is appropriate, and
- such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Responsibilities of the Comptroller and Auditor General

I am required under section 37 of the Fisheries (Amendment) Act 1997 to audit the financial statements of the Aquaculture Licences Appeals Board and to report thereon to the Houses of the Oireachtas.

My objective in carrying out the audit is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement due to fraud or error. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the ISAs, I exercise professional judgment and maintain professional scepticism throughout the audit. In doing so,

- I identify and assess the risks of material misstatement of the financial statements whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal controls.
- I evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures.

- I conclude on the appropriateness of the use of the going concern basis of accounting and, based on the audit evidence obtained, on whether a material uncertainty exists related to events or conditions that may cast significant doubt on Aquaculture Licences Appeals Board's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my report. However, future events or conditions may cause the Aquaculture Licences Appeals Board to cease to continue as a going concern.
- I evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I report by exception if, in my opinion,

- I have not received all the information and explanations I required for my audit, or
- the accounting records were not sufficient to permit the financial statements to be readily and properly audited, or
- the financial statements are not in agreement with the accounting records.

Information other than the financial statements

My opinion on the financial statements does not cover the other information presented with those statements, and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, I am required under the ISAs to read the other information presented and, in doing so, consider whether the other information is materially inconsistent with the financial statements or with knowledge obtained during the audit, or if it otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

Reporting on other matters

My audit is conducted by reference to the special considerations which attach to State bodies in relation to their management and operation. I report if I identify material matters relating to the manner in which public business has been conducted.

I seek to obtain evidence about the regularity of financial transactions in the course of audit. I report if I identify any material instance where public money has not been applied for the purposes intended or where transactions did not conform to the authorities governing them.

Chuig an Aire Talmhaíochta, Bia agus Mara

De réir alt 38(1) den Acht lascaigh (Leasú) 1997, cuireann an Bord Achomhairc um Cheadúnais Dobharshaothraithe (ALAB) a cheathrú Tuarascáil Bhliantúil agus Ráiteas Airgeadais is fiche don bhliain dar críoch 31 Nollaig 2022 i láthair leis seo.

RÉAMHRÁ ÓN gCATHAOIRLEACH

Tá áthas orm Tuarascáil Bhliantúil an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe (ALAB) don bhliain 2022 a thíolacadh. I dteannta a phríomhfheidhm a chomhlíonadh maidir le tuairisciú don Aire Talmhaíochta, Bia agus Mara ('an tAire') ar ghníomhaíochtaí an Bhoird, táthar ag súil go gcuirfidh an Tuarascáil eolas úsáideach ar fáil do gach duine a bhfuil baint acu leis an bpróiseas achomharc agus don tionscal dotharshaothraithe i gcoitinne.

Lean an Bord ar aghaidh ag feidhmiú ar bhealach éifeachtach i rith na bliana, ag comhlíonadh a fheidhme chun údarás achomhairc neamhspleách a sholáthar chun breithiúnas a dhéanamh ar chinntí an Aire ar iarratais ar cheadúnais dotharshaothraithe.

I dtéarmaí líon na n-achomharc, ba bhliain chiúin í 2022 agus ní bhfuarthas ach trí achomharc. Mar sin féin, bhí seasca sé (66) achomharc idir lámha ag tús na bliana agus dhírigh an Bord ar na hachomhairc seo a bhreithniú, ag teacht ar chinntí i dtríocha a dó (32) díobh san iomlán. Faoi dheireadh na bliana bhí tríocha a seacht (37) achomharc idir lámha.

Tá faisnéis mhionsonraithe sa Tuarascáil seo ar gach achomharc agus cinneadh, agus anailís orthu.

Tugann an Bord dá aire go ndearnadh roinnt moltaí i dTuarascáil an Ghrúpa Athbhreithnithe um Cheadúnú Dobharshaothraithe Neamhspleách, Bealtaine 2017, a bhí deartha chun cáilíocht agus soiléireacht iarratas a fheabhsú agus chun próiseas cinnteoireachta tráthúil a éascú. Sa chomhthéacs seo chuir an Bord tús le roinnt tionscadal atá dírithe ar a chórais a fheabhsú agus táthar ag súil go dtiocfaidh siad i gcrích in 2023. Ina measc seo tá athdhearadh ar shuíomh Gréasáin ALAB chun faisnéis a dhéanamh níos inrochtana agus próisis a dhéanamh níos trédhearcaí. In am trátha tá sé beartaithe go n-éascóidh an suíomh Gréasáin cur isteach iarratas agus táillí ar líne.

Go sonrach, ag deireadh na bliana d'imigh beirt chomhaltaí an-luachmhar den Bhord; Michael Sweeney agus John Ward. Ba é Michael Sweeney an comhalta is faide seirbhíse den Bhord a tháinig isteach ann in 2009 agus d'fhóin sé mar Leas-Chathaoirleach ó 2018 i leith. D'fhóin John Ward mar chomhalta den Bhord ó 2020 i leith. Ba mhaith liom an deis seo a thapú chun aitheantas a thabhairt don mhéid a chuir siad le hobair an Bhoird agus an saineolas agus an taithí a thug siad do chinnteoireacht an Bhoird.

Ba mhaith liom an deis seo a thapú freisin chun aitheantas a thabhairt don rannchuidiú a rinne comhaltaí Boird uile an ALAB, foireann ALAB agus gach soláthróir seirbhíse seachtrach, a bhí lárnach i dtaca le cúnamh agus tacaíocht a thabhairt do ALAB a fhreagrachtaí reachtúla a chomhlíonadh le linn 2022. Mar eagraíocht, tá ALAB ag bainistiú go leor athruithe agus ag an am céanna ag iarraidh a dheafheidhmíocht a choinneáil agus a sheasamh. Ba mhaith liom aitheantas ar leith a thabhairt d'fhíor-thiomantas chomhaltaí Bhord ALAB do luachanna neamhspleáchais, ionracais, gairmiúlachta agus cothroime. Ba mhór an pléisiúr oibriú libh le linn 2022.

Ba mhaith liom freisin mo bhuíochas a ghabháil leis na hoifigigh ón Roinn Talmhaíochta, Bia agus Mara agus leis na Comhlachtaí Stáit eile go léir a mbíonn ALAB ag idirghníomhú leo as a dtacaíocht agus a gcúnamh i rith na bliana. Táim ag tnúth le leanúint ag obair le foireann an ALAB agus le Baill an Bhoird agus muid ag leanúint ar aghaidh le hobair thábhachtach ALAB sna blianta amach romhainn.

Tá obair agus freagrachtaí an Bhoird leagtha amach in Ailt 40 go 60 den Acht Iascaigh (Leasú), 1997. I measc na míreanna seasta a bhreithnigh an Bord tá:

- Dearbhú leasa

- Tuarascálacha airgeadais/cuntais bhainistíochta, agus
- Achomhairc ar siúl

Ceanglaítear le Mír 37(1) den Acht Iascaigh (Leasú), 1997 ar an mBord Achomhairc um Cheadúnais Dobharshaothraithe, a choinneáil, i cibé foirm a cheadóidh an tAire Talmhaíochta, Bia agus Mara le toiliú an Aire Caiteachais Phoiblí agus Athchóirithe, gach cuntas is cuí agus is gnách ar airgead a gheobhaidh sé agus a chaithfidh sé.

Agus na ráitis sin á n-ullmhú ceanglaítear ar an mBord:

- Beartais chuntasaíochta oiriúnacha a roghnú agus iad a chur i bhfeidhm go comhsheasmhach,
- Breithiúnais agus meastacháin a dhéanamh atá réasúnach agus stuama,
- A lua cibé acu ar ullmhaíodh na ráitis airgeadais de réir na gcaighdeán cuntasaíochta is infheidhme,
- Na ráitis airgeadais a ullmhú ar bhonn gnóthais leantaigh.

Tá an Bord freagrach as taifid chuntasaíochta imleor a choinneáil a nochtann le cruinneas réasúnta ag am ar bith staid airgeadais an Bhoird agus a chuireann ar a chumas a chinntiú go gcomhlíonann na ráitis airgeadais le Mír 37(1) den Acht Iascaigh (Leasú), 1997. Tá an Bord freagrach freisin as sócmhainní an Bhoird a chosaint agus mar sin as céimeanna réasúnta a ghlacadh chun calaois agus neamhrialtachtaí eile a chosc agus a bhrath.

Measann an Bord go dtugann ráitis airgeadais an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe léargas fíor agus cothrom ar fheidhmíocht airgeadais agus ar staid airgeadais an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe amhail an 31 Nollaig 2022.

Chloígh an Bord Achomhairc um Cheadúnais Dobharshaothraithe go hiomlán leis na forálacha sin den Chód a bhfuil feidhm acu seachas na nithe seo a leanas:

- Ní bhaineann forálacha an Chóid maidir le ceapachán, líon, grádú agus coinníollacha na foirne go léir, lena n-áirítear luach saothair agus aoisliúntas le ALAB mar go bhfuil a fhoireann ar fad ar iasacht ón Roinn Talmhaíochta, Bia agus Mara (“RTBM”).
- Mar gheall ar mhéid agus scála an ALAB agus go bhfuil sé comhdhéanta d'aon toisc chun achomhairc a chinneadh de bhun an Achta, tá an Bord den tuairim nach bhfuil plean straitéiseach foirmiúil ag teastáil. Tá Comhaontú Seachadta Maoirseachta agus Feidhmíochta 2021 - 2023 aontaithe ag ALAB agus tá sé seo á fhorghníomhú ag an dá pháirtí faoi láthair. Tá nithe a d'fhéadfadh a bheith cuimsithe de ghnáth i bplean straitéiseach ionchorpraithe sa chomhaontú seo.
- Níl Príomhoifigeach Riosca ag ALAB. Mar gheall ar mhéid agus scála oibríocht ALAB tá an Bord den tuairim gur féidir riosca a bhainistiú idir an Rúnaí, an Coiste Iniúchta agus Riosca agus an Bord féin.
- Tá conradh ag ALAB le hiniúcháir inmheánach chun an fheidhm seo a chomhlíonadh. Fostaíonn an Bord saineolas seachtrach go tréimhsiúil nuair is cuí agus go háirithe chun athbhreithniú bliantúil a dhéanamh ar rialuithe inmheánacha.
- Níl Plean Nós Imeachta Corparáideach foirmiúil ag ALAB. Mar gheall ar mhéid agus scála an ALAB tá an Bord den tuairim nach bhfuil plean dá leithéid ag teastáil.
- Níl Cairt Chustaiméirí ag ALAB. Mar gheall ar leagan amach ALAB, tá an Bord den tuairim nach bhfuil Cairt dá leithéid oiriúnach.

Ráiteas ar Rialú Inmheánach

Scóip na Freagrachta

Thar ceann an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe, admhaímid ár bhfreagracht as a chinntiú go ndéantar córas éifeachtach Rialaithe Inmheánaigh a chothabháil agus a fheidhmiú san eagraíocht. Cuireann an fhreagracht seo san áireamh ceanglais an Chóid Chleachtais um Rialachas Comhlachtaí Stáit (2016).

Aidhm an Chórais Rialaithe Inmheánaigh

Tá an córas rialaithe inmheánaigh deartha chun riosca a bhainistiú go leibhéal is féidir a ghlacadh seachas deireadh a chur leis. Ní féidir leis an gcóras, mar sin, ach ráthaíocht réasúnta, seachas ráthaíocht iomlán, a thabhairt go ndéantar sócmhainní a chosaint, idirbhearta a údarú agus a thaifeadadh i gceart, agus go ndéantar earráidí nó neamhrialtachtaí ábhartha a chosc nó a bhrath ar bhealach tráthúil.

Tá an córas rialaithe inmheánaigh, a thagann le treoir arna eisiúint ag an Roinn Caiteachais Phoiblí agus Athchóirithe, i bhfeidhm ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe don bhliain dar críoch 31 Nollaig 2022 agus suas go dtí dáta ceadaithe na ráiteas airgeadais.

Cumas chun Riosca a Láimhseáil

Tá Coiste Iniúchta agus Riosca (ARC) ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe ar a bhfuil triúr comhaltaí Boird. Tháinig an ARC le chéile 5 huairé in 2022.

Creat Riosca agus Rialaithe

Tá córas bainistíochta riosca curtha i bhfeidhm ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe a shainaithníonn agus a thuairiscíonn príomhrioscaí agus na bearta bainistíochta atá á ndéanamh chun aghaidh a thabhairt ar na rioscaí sin agus, a mhéid is féidir, chun na rioscaí sin a mhaolú.

Tá clár rioscaí i bhfeidhm a shainaithníonn na príomhrioscaí atá roimh an mBord Achomhairc um Cheadúnais Dobharshaothraithe agus tá siad seo aitheanta, measúnaithe agus grádaithe de réir a dtábhacht. Déanann an ARC an clár a athbhreithniú agus a nuashonrú ar bhonn ráithiúil. Úsáidtear toradh na measúnuithe seo chun acmhainní a phleanáil agus a leithdháileadh chun a chinntiú go ndéantar rioscaí a bhainistiú go leibhéal inghlactha.

Sonraítear sa chláir rioscaí na rialuithe agus na gníomhartha is gá chun rioscaí a mhaolú agus freagracht as feidhmiú na rialuithe a shanntar do bhaill foirne ar leith. Deimhnímid go bhfuil timpeallacht rialaithe ina bhfuil na heilimintí seo a leanas i bhfeidhm:

- Tá nósanna imeachta maidir le gach príomhphróiseas gnó doiciméadaithe,
- Sannadh freagrachtaí airgeadais ag leibhéal na bainistíochta agus tá cuntasacht chomhfhreagrach ag gabháil leo,
- Tá córas buiséadaithe cuí ann le buiséad bliantúil a choinníonn an bhainistíocht shinsearach agus an Bord faoi athbhreithniú,
- Tá córais ann atá dírithe ar shlándáil na gcóras teicneolaíochta faisnéise agus cumarsáide a chinntiú, agus
- Tá córais i bhfeidhm chun na sócmhainní a chosaint

Is féidir linn a dhearbú go bhfuil nósanna imeachta i bhfeidhm ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe chun comhlíonadh na rialacha agus na dtreoirínte reatha soláthair a chinntiú agus go gcomhlíonann an Bord Achomhairc um Cheadúnais Dobharshaothraithe na nósanna imeachta sin go hiomlán le linn 2022.

Athbhreithniú ar Éifeachtúlacht

Deimhnímid go bhfuil nósanna imeachta i bhfeidhm ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe chun monatóireacht a dhéanamh ar éifeachtacht a nósanna imeachta bainistíochta riosca agus rialaithe.

Tá monatóireacht agus athbhreithniú an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe ar éifeachtacht an chórais rialaithe airgeadais inmheánaigh bunaithe ar obair na n-iniúcháirí inmheánacha agus seachtracha ó fhoinsí seachtracha, an Choiste Iniúcháireachta agus Riosca a dhéanann maoirsiú ar a gcuid oibre, agus an Bord Achomhairc um Cheadúnais Dobharshaothraithe atá freagrach as forbairt agus cothabháil an chreata um rialú inmheánach airgeadais.

Tuairim maidir leis na ráitis airgeadais

Tá ráitis airgeadais an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe iniúchta agam don bhliain dár chríoch 31 Nollaig 2022 mar a cheanglaítear faoi fhorálacha ailt 37 den Acht lascaigh (Leasú) 1997. Sna ráitis airgeadais, tá

- an ráiteas ioncaim agus caiteachais agus cúlchistí ioncaim coinnithe
- an ráiteas ar staid airgeadais
- an ráiteas ar shreabhadh airgid, agus
- na nótaí ábhartha, achoimre ar pholasaithe cuntasaiochta tábhachtacha san áireamh.

Is mo thuairim, tugann na ráitis airgeadais léargas fíor agus cothrom ar shócmhainní, ar dhlíteanais agus ar staid airgeadais an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe amhail an 31 Nollaig 2022 agus ar a ioncam agus caiteachas do 2022 de réir an Chaighdeáin um Thuairisciú Airgeadais (FRS) 102 — *An Caighdeán um Thuairisciú Airgeadais infheidhme sa RA agus i bPoblacht na hÉireann*.

Bunús na tuairime

Rinne mé m'iniúchadh ar na ráitis airgeadais i gcomhréir leis na Caighdeáin Idirnáisiúnta Iniúchóireachta (ISAnna) mar a chuirtear i bhfeidhm ag an Eagraíocht Idirnáisiúnta Uasfhoras Iniúchóireachta. Tá cur síos ar na freagrachtaí atá orm faoi na caighdeáin sin san aguisín a ghabhann leis an tuarascáil seo. Táim neamhspleách ar an mBord Achomhairc um Cheadúnais Dobharshaothraithe agus tá mo chuid freagrachtaí eitiiciúla eile comhlíonta agam i gcomhréir leis na caighdeáin.

Measaim gur leor agus gur cuí an fhianaise iniúchta atá faighte agam le go mbeidh sí ina bunús le mo thuairim.

Tuarascáil ar ábhair seachas na ráitis airgeadais, agus ar ábhair eile

Tá eolas áirithe eile curtha i láthair ag an mBord Achomhairc um Cheadúnais Dobharshaothraithe mar aon leis na ráitis airgeadais. Cuimsíonn sé seo an ráiteas rialaithe agus tuarascáil an bhoird agus an ráiteas ar rialú inmheánach. Tá mo chuid freagrachtaí as tuairisc a thabhairt maidir le faisnéis den sórt sin, agus ábhair áirithe eile a dtugaim tuairisc orthu trí eisceachtaí, leagtha amach san aguisín a ghabhann leis an tuarascáil seo.

Níl aon rud le tuairisciú agam maidir leis sin.

Aguisín a ghabhann leis an tuarascáil

Freagrachtaí chomhaltaí an Bhoird

Mar atá sonraithe sa ráiteas rialachais agus i dtuarascáil chomhaltaí an Bhoird, tá comhaltaí an Bhoird freagrach as

- ráitis airgeadais bhliantúla an Bhoird Parúil a ullmhú san fhoirm a fhorordaítear faoi alt 37 den Acht lascaigh (Leasú) 1997
- a chinntiú go dtugann na ráitis airgeadais léargas fíor agus cóir i gcomhréir le FRS102
- rialtacht na n-idirbhearta a chinntiú
- measúnú cibé acu gur cuí úsáid a bhaint as bonn an ghnóthais leantaigh sa chuntasaíocht, agus
- cibé rialú inmheánach a mheasann siad a bheith riachtanach chun gur féidir ráitis airgeadais a ullmhú atá saor ó mhíríteas ábhartha, cibé acu mar thoradh ar chalaos nó earráid.

Freagrachtaí an Ard-Reachtair Cuntas agus Ciste

Ceanglaítear orm faoi alt 37 den Acht lascaigh (leasú) 1997 iniúchadh a dhéanamh ar ráitis airgeadais an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe agus tuairisc a thabhairt orthu do Thithe an Oireachtais.

Is í an aidhm atá agam agus an t-iniúchadh á dhéanamh ná dearbhú réasúnta faoi cibé acu an bhfuil na ráitis airgeadais ina n-iomlán saor ó mhíríteas ábhartha mar thoradh ar chalaos nó earráid. Is ionann dearbhú réasúnach agus leibhéal ard dearbhaithe, ach ní deimhniú é go mbraithfidh iniúchadh, ama chur i bhfeidhm de réir ISA míráiteas ábhartha i gcónaí nuair is ann dó. Is féidir le míráitis eascairt as calaois nó earráid agus meastar gur míráitis ábhartha iad más féidir a bheith ag súil leis go réasúnta, go mbeadh tionchar acu ina n-aonar, nó le chéile, ar chinntí eacnamaíocha na n-úsáideoirí ama nglacadh ar bhunús na ráiteas airgeadais seo.

Mar chuid d'iniúchadh i gcomhréir leis na ISAnna, cleachtaim breithiúnas gairmiúil agus coimeádaim amhras gairmiúil le linn an iniúchta. Agus é sin á dhéanamh,

- Déanaim rioscaí an mhírítis ábhartha i leith na ráiteas airgeadais cibé acu de thoradh calaoise nó earráide a aithint agus a mheas; dearam agus comhlíonaim nósanna imeachta iniúchóireachta a fhreagraíonn do na rioscaí sin; agus faighim fianaise iniúchta atá leordhóthanach agus cuí le go mbeidh sí ina bunús le mo thuairim. Tá an riosca a bhaineann le míthuairisc ábhartha a thagann ó chalaos agus gan í a aithint níos airde ná an riosca a bhaineann le míthuairisc a eascraíonn as earráid, toisc go bhféadfadh claonpháirtíocht, brionnú, easnaimh d'aon ghnó, mífhaisnéis, nó sárú ar rialú inmheánach a bheith i gceist le calaois.
- Faighim tuisceant ar an rialú inmheánach is cuí don iniúchadh chun nósanna imeachta a dhearadh atá cuí sna himthosca, ach ní chun críche tuairim a chur in iúl ar éifeachtacht na rialuithe inmheánacha.
- Déanaim measúnú ar oiriúnacht na bpolasaithe cuntasaíochta a úsáidtear agus ar réasúntacht na meastachán cuntasaíochta agus na nochtuithe bainteacha.

- Cinnim maidir le hoiúnacht úsáid bhonn an ghnóthais leantaigh don chuntasaíocht agus, bunaithe ar an bhfianaise iniúchta a fuarthas, maidir le cibé acu an bhfuil éiginnteacht ábhartha i gceist a d'fhéadfadh amhras suntasach a chur ar chumas an Bhoird Achomhairc um Cheadúnais Dobharshaothraithe leanúint ar aghaidh mar ghnóthas leanúnach. Má chinneim go bhfuil éiginnteacht ábhartha ann, ceanglaítear orm aird a tharraingt i mo thuarascáil ar na nochtuithe bainteacha sna ráitis airgeadais, murar leor na nochtuithe sin, chun mo thuairim a athrú. Tá mo chuid conclúidí bunaithe ar an bhfianaise iniúchta a fuarthas suas go dtí dáta mo thuarascála. D'fhéadfadh go dtarlódh imeachtaí nó go mbeadh coinníollacha i gceist sa todhchaí, áfach, a stopfadh an Bord Achomhairc um Cheadúnais Dobharshaothraithe leanúint ar aghaidh mar ghnóthas leanúnach mar thoradh orthu.
- Déanaim measúnú ar chur i láthair, ar struchtúr agus ar ábhar foriomlán na ráiteas airgeadais, lena n-áirítear na nochtuithe, agus cibé an léiríonn na ráitis airgeadais na hidirbhearta agus imeachtaí bunúsacha ar bhealach a bhainfidh léiriú cothrom amach.

Déanaim cumarsáid leo siúd atá freagrach rialachais maidir le, i measc nithe eile, an scóip agus uainiú pleanáite an iniúchta agus torthaí suntasacha an iniúchta, lena n-áirítear aon easnaimh shuntasacha sa rialú inmheánach a d'fhéadfainn a aithint le linn m'iniúchta.

Tuairiscím, mar eisceacht más rud é, i mo thuairim,

- nach bhfuil an t-eolas go léir nó na mínithe riachtanacha faighte agam do m'iniúchadh, nó
- nach raibh na taifid chuntasaíochta dóthanach chun na ráitis a iniúchadh go héasca agus go cuí, nó
- nach bhfuil na ráitis airgeadais i gcomhréir leis na taifid chuntasaíochta.

Eolas seachas na ráitis airgeadais

Ní chuimsíonn mo thuairim ar na ráitis airgeadais an fhaisnéis eile a cuireadh i láthair leis na ráitis sin, agus ní chuirim aon chonclúid dearbhaithe in iúl ina leith.

Maidir le m'iniúchadh ar na ráitis airgeadais, éilítear orm faoi na ISAnna an fhaisnéis eile a cuireadh i láthair a léamh agus, é sin á dhéanamh agam, breithniú a dhéanamh ar cibé an bhfuil an fhaisnéis eile ar neamhréir go hábhartha leis na ráitis airgeadais nó leis an eolas a fuarthas le linn an iniúchta, nó má dhealraíonn sé go bhfuil míráiteas ábhartha ann. Más rud é, bunaithe ar an obair atá déanta agam, go dtagaim ar an gconclúid go bhfuil míráiteas ábhartha ann maidir leis an bhfaisnéis eile, éilítear orm an fhíric sin a thuairisciú.

Tuairisciú ar ábhair eile

Cuirtear m'iniúchadh i gcrích i gcomhréir leis na comaoineacha speisialta atá ceangailte le comhlachtaí an stáit maidir lena mbainistíocht agus lena bhfeidhmiú. Tuairiscím má tá ábhair ábhartha a bhaineann leis an mbealach a seoladh gnó poiblí.

Déanaim iarracht fianaise faoi rialtacht idirbheart airgeadais a fháil le linn an iniúchta. Tuairiscím má tá aon chás ábhartha nuair nár úsáideadh airgead poiblí chun na gcríoch a bhí beartaite nó nár chlóg na hidirbhearta leis na húdaráis a rialaíonn iad.
