EXPLANATORY MEMORANDUM

1. INTRODUCTION

The purpose of Draft Amending Budget No 3 for the year 2024 (DAB 3/2024) is to introduce the necessary reinforcement to the European Public Prosecutor's Office ('the EPPO') following the Commission decision confirming the participation of Poland in the enhanced cooperation on the establishment of the EPPO that was adopted on 29 February 2024⁶, as well as the expected participation of Sweden.

Overall, the net impact of DAB 3/2024 on expenditure amounts to an increase of EUR 3,6 million in commitment and in payment appropriations.

2. EUROPEAN PUBLIC PROSECUTOR'S OFFICE (EPPO)

Since its establishment, 22 Member States have been participating in the enhanced cooperation on the establishment of the EPPO under Regulation (EU) 2017/1939⁷. On 29 February 2024, the Commission confirmed the participation of Poland in the enhanced cooperation on the establishment of the EPPO, following the notification of Poland of its intention to participate on 5 January 2024. The future accession of Sweden is expected to be confirmed in the coming months.

The Commission therefore proposes in DAB 3/2024 to reinforce the EPPO by allocating an additional twenty establishment plan posts for the recruitment of European Prosecutors and the necessary support functions, to take account of the additional workload due to two additional participating Member States. The budget of the EPPO is proposed to be increased by EUR 3,6 million to cover, for the remaining part of the year 2024, the expenditure linked to the participation of Poland and Sweden, related to the salaries of the staff to be hired as well as operational expenditure, including salaries of additional European Delegated Prosecutors to be appointed in Poland and Sweden.

Given the absence of a margin in sub-heading 2b (Resilience and Values), it is proposed to mobilise the Flexibility instrument for this reinforcement.

The related changes to the establishment plan are set out in the budgetary annex.

3. FINANCING

Overall, the net impact of DAB 3/2024 on expenditure amounts to an increase of EUR 3,6 million in commitment and payment appropriations.
