PART 2

IMPLANTABLE DEVICES AND SINGLE-USE DEVICES

Implant card and supply of information re. implanted device

6. A health institution shall make available to a patient who has been implanted with an implantable device by the health institution—

- (a) the information referred to in Article 18(1) of the EU Regulation, by electronic, written or other appropriate means, and
- (b) the implant card, which shall bear the patient's identity,

as soon as possible, but no later than 30 working days after the implantation of the device.

Reprocessing and further use of single-use devices

7. (1) A person shall not reprocess a single-use device to make it suitable for further use in a member state unless there is compliance with Article 17(6), (7) and (8) of the EU Regulation.

(2) A person who reprocesses a single-use device pursuant to paragraph (1) shall—

- (a) assume the obligations incumbent on manufacturers laid down in the EU Regulation, including obligations relating to the traceability of the reprocessed device in accordance with Chapter III of the EU Regulation, and
- (b) be considered to be a producer for the purpose of Article 3(1) of Council Directive 85/374/EEC of 25 July 1985⁶.

PART 3

CLINICAL INVESTIGATIONS

Persons entitled to provide medical care to subjects

8. For the purposes of Article 62(4)(j) of the EU Regulation, the following persons are entitled to provide medical care to subjects of clinical investigations, as appropriate:

- (a) a registered medical practitioner;
- (b) a registered dentist;
- (c) a registered nurse or midwife,
- (d) a person registered in the Register of Pharmacists established under section 13(1) of the Pharmacy Act 2007 (No. 20 of 2007);
- (e) a person registered in the Register of Optometrists established and maintained by the Optical Registration Board under section 36 of the Health and Social Care Professionals Act 2005 (No. 27 of 2005);
- (f) a person registered in another register maintained under the Health and Social Care Professionals Act 2005 for the purpose of providing services for or in connection with the prevention, diagnosis or treatment of human illness.

Qualifications of investigators

9. For the purposes of Article 62(6) of the EU Regulation, the investigator shall be a person of appropriate education, training and experience to assume responsibility for the proper conduct of the clinical investigation, as determined by the sponsor, and such determination shall be subject to review by the Authority as part of its assessment of the clinical investigation application.

⁶ OJ No. L 210, 7.8.1985, p. 29.

Qualifications of persons carrying out prior interviews

10. For the purposes of Article 63(2)(c) of the EU Regulation, the following persons are deemed to be appropriately qualified to carry out prior interviews with subjects, or, where the subject is not able to give informed consent, his or her legal representative for the purpose of obtaining his or her informed consent, as appropriate to the purpose of the clinical investigation:

- (a) a registered medical practitioner;
- (b) a registered dentist;
- (c) a person referred to in Regulation 8(c), (d), (e) or (f), whose training, experience and qualifications have been assessed by the principal investigator and determined to be appropriate to qualify him or her to conduct the interview.

Submission of opinion of national research ethics committee opinion

11. A sponsor of a clinical investigation being conducted in the State shall submit to the Authority a copy of the opinion or opinions of a National REC in respect of the clinical investigation—

- (a) where it is available at the time of the application for an authorisation or notification, at that time, or
- (b) as soon as a copy is available thereafter.

Co-ordination between Authority and National REC

12. The Authority and a National REC may cooperate on the execution of tasks pursuant to the EU Regulation, to the extent that it is necessary and appropriate, for the purpose of performing their functions.

Starting of clinical investigations

13. A sponsor shall not start a clinical investigation, whether in relation to a device referred to in Article 70(7)(a) or (b) of the EU Regulation until the Authority has notified the sponsor of its authorisation in accordance with the time period referred to in Article 70(7)(b) of the EU Regulation.

Requirements in respect of clinical investigations not performed for purpose listed in Article 62(1) or Article 74 of EU Regulation

14. (1) This Regulation applies to clinical investigations not performed pursuant to any of the purposes listed in Article 62(1) or Article 74 of the EU Regulation.

(2) In addition to the requirements referred to in Article 82(1) of the EU Regulation, the following requirements shall also apply to clinical investigations referred to in paragraph (1):

- (a) the requirements in Articles 69 and 76 of the EU Regulation;

- (b) the sponsor shall notify the Authority in writing at least 30 days prior to its commencement;
- (c) the sponsor shall record and report adverse events during the clinical investigation in line with the requirements of Article 80 of the EU Regulation, unless the device is CE marked, in which case the provisions of Articles 87 to 90, and the acts adopted pursuant to Article 91 of the EU Regulation, shall apply instead, and
- (d) such additional requirements as the Authority may, on a case by case basis, require the sponsor to comply with following the receipt of notification from the sponsor under subparagraph (b).

Appeals of decisions in relation to clinical investigations

15. (1) A sponsor may, within 28 days of receipt of the relevant decision from the Authority, bring an appeal against—

- (a) a decision by the Authority, pursuant to Article 70(3) of the EU Regulation, to refuse authorisation for a clinical investigation on the grounds that it does not fall within the scope of the EU Regulation or that the application dossier is not complete,
- (b) a decision by the Authority, pursuant to Article 71(4) of the EU Regulation, to refuse authorisation for a clinical investigation on one of the grounds listed in that provision, or
- (c) a decision by the Authority, pursuant to Article 75(3)(a) of the EU Regulation, to refuse authorisation for a substantial modification to a clinical investigation.

(2) The Authority shall publish guidelines setting out the procedures applicable to appeals under paragraph (1).

PART 4

OFFENCES AND PENALTIES

Provisions related to offences

25. (1) For the purpose of these Regulations, every contravention of a provision of these Regulations shall be deemed a separate contravention and every contravention of a paragraph or a subparagraph of such provision shall also be deemed to be a separate contravention and shall carry the same penalty as for a single contravention of any such provision.

(2) Where a person is convicted of an offence under these Regulations, the court shall, unless it is satisfied that there are special and substantial reasons for not doing so, order the person to pay to the Authority the costs and expenses, measured by the court, incurred by the Authority, in relation to the investigation, detection and prosecution of the offence, including costs and expenses incurred in the taking of samples, the carrying out of tests, examinations and analyses and in respect of the remuneration and other expenses of employees, consultants and advisors engaged by the Authority.

(3) On conviction for an offence under these Regulations, the court may, in addition to any other penalty or cost—

- (a) order any relevant thing or any vehicle, vessel or container to which the offence relates to be forfeited to the Authority for destruction or disposal as the Authority thinks fit, and
- (b) upon application made to it by or on behalf of the Authority, order the person convicted of the offence to pay to the Authority all or part of the costs of the destruction or disposal of such relevant thing or any vehicle, vessel or container, subject to such conditions, if any, as specified in the order.

(4) An order for costs and expenses under paragraph (2) or (3) is in addition to, and not instead of, any fine or penalty the court may impose.

(5) In any proceedings for an offence under these Regulations, where no conviction is recorded, the court may, upon application made to it by or on behalf of the Authority, order any relevant thing to which the offence relates to be forfeited to the Authority for destruction or disposal.

Proceedings

26. (1) Proceedings in relation to a summary offence under these Regulations may be brought and prosecuted by the Authority.

(2) In proceedings for an offence under these Regulations, a certificate or report signed by an approved examiner stating the results of any test, examination or analysis of a sample shall, with regard to that sample, be evidence of the matters stated in the certificate or report unless the contrary is proved.

(3) In proceeding for an offence under these Regulations, a relevant thing, or package containing a relevant thing, that purports to bear the name of the manufacturer or importer of that thing, or of the person who made that thing available on the market, shall, unless the contrary is proved, be evidence that the relevant thing was manufactured or imported, or made available on the market, as the case may be, by the person so named.

PART 4

COMPLIANCE AND ENFORCEMENT

Enforcement generally

27. (1) These Regulations, and the provisions of the EU Regulation to which they refer, shall be enforced by the Authority.

(2) In carrying out its compliance and enforcement role under the EU Regulation and these Regulations, the Authority shall adhere to the principle of good administrative practice, as provided for in Article 99 of the EU Regulation.

Authorised officers

28. (1) For the purposes of ensuring compliance with the EU Regulation and these Regulations, the chief executive of the Authority—

- (a) may appoint such and so many persons as he or she thinks fit to be authorised officers for the purpose of these Regulations, and
- (b) shall furnish each authorised officer appointed by him or her with a warrant of the authorised officer's appointment.

(2) An authorised officer, other than an authorised officer who is an officer of Customs and Excise, shall, when performing a function imposed under these Regulations on an authorised officer, produce his or her warrant for inspection if requested to do so by a person affected by the performance of that function.

(3) For the purposes of ensuring compliance with the EU Regulation or the Market Surveillance Regulation, an authorised officer may—

- (a) subject to paragraph (5), enter (if necessary by the use of reasonable force), at all reasonable times, any premises at which he or she has reasonable grounds for believing that—
 - (i) any trade, business or activity connected with the manufacture, processing, sterilisation, disposal, export, import, distribution, sale, supply, storage, packaging, labelling, preparation, professional use, conformity assessment, or advertising of any relevant thing or the processing of financial transactions in relation to the relevant thing is or has been carried on, or

- (ii) books, records or other documents (including documents stored in non-legible form) relating to such trade, business or activity or the processing of financial transactions in relation to the relevant thing are kept,
- (b) at such premises inspect and take copies of, any books, records, other documents (including documents stored in non-legible form) or extracts therefrom, which he or she finds in the course of his or her inspection,
- (c) remove any such books, records or other documents from such premises and detain them for such period as he or she reasonably considers to be necessary for the purposes of his or her functions under these Regulations,
- (d) carry out, or have carried out, such tests, examinations, analyses, inspections and checks of—
 - (i) the premises,
 - (ii) any relevant thing at the premises, or
 - (iii) any equipment, machinery or plant at the premises,as he or she reasonably considers to be necessary for the purposes of his or her functions under these Regulations,
- (e) require any person at the premises, the owner or person in charge of the premises or any person employed there to give to him or her such assistance and information and to produce to him or her such books, records or other documents (and in the case of documents or records stored in non-legible form, produce to him or her a legible reproduction thereof) that are in that person's power or procurement, as he or she may reasonably require for the purposes of his or her functions under these Regulations,
- (f) purchase or take without payment a sample of any relevant thing found at the premises for the purposes of any test, examination or analysis,
- (g) secure and detain for later inspection any premises or part of any premises in which a relevant thing is found or ordinarily kept, or books, records or other documents are found or ordinarily kept, for such period as may reasonably be necessary for the purposes of his or her functions under these Regulations,
- (h) without payment, take possession of and remove from the premises for any test, examination or analysis any relevant thing found there, and detain it for such period as he or she considers reasonably necessary for the purposes of his or her functions under these Regulations,
- (i) without payment, take samples of any relevant thing detained pursuant to subparagraph (j), for the purposes of any test, examination, or analysis,

- (j) where the taking of samples of any relevant thing pursuant to subparagraph (f) or (i) is, for whatever reason, not practicable, purchase or take without payment the relevant thing concerned for the purposes of any test, examination or analysis, or carry out testing, examination or analysis of the relevant thing at the premises,
- (k) stop any person, vehicle, vessel or container at the premises,
- (l) board and search any such vehicle, vessel or container,
- (m) require the name and address of any person on the premises,
- (n) make a record whether in writing, by photography or otherwise,
- (o) inspect and copy or extract information from any data within the meaning of the Data Protection Acts 1988 to 2018,
- (p) require a person, having authority to do so, to break open any container, receptacle or package, or to open any vending machine, or to permit him or her to do so, as he or she may reasonably require for the purposes of his or her functions under these Regulations,
- (q) require a person, who makes available facilities such as post office boxes, telecommunications, financial payment services, electronic mail addresses or other like facilities, to give him or her such assistance and information as he or she may reasonably require for the purposes of his or her functions under these Regulations in any case where the officer has reasonable grounds for believing that any relevant thing is being supplied by information society services or mail order, or in contravention of any provision of these Regulations or the EU Regulation relating to any trade, business or activity referred to in subparagraph (a)(i), or books, records or documents referred to in subparagraph (a)(ii), or
- (r) where no other effective means are available to eliminate a serious risk—
 - (i) require the removal of content referring to devices and related products from an online interface or require the explicit display of a warning to end users when they access an online interface, or
 - (ii) where a request under clause (i) has not been complied with, require information society service providers to restrict access to the online interface, including by requesting a relevant third party to implement such measures.

(4) When performing a function under these Regulations, an authorised officer may, subject to any warrant under paragraph (6), be accompanied by such number of—

- (a) other authorised officers,
- (b) members of An Garda Síochána, or

(c) persons with expertise relating to any relevant thing, as he or she considers appropriate in the circumstances of the case.

(5) An authorised officer shall not enter a dwelling, other than—

- (a) with the consent of the occupier, or
- (b) in accordance with a warrant issued under paragraph (6).

(6) Upon the application of an authorised officer, a judge of the District Court, if satisfied that there are reasonable grounds for believing that—

- (a) a relevant thing is to be found in any dwelling, or is being or has been subjected to any process or stored in any dwelling,
- (b) a dwelling is occupied in whole or in part by an undertaking engaged in any trade, business or activity referred to in paragraph (3)(a)(i), or
- (c) books, records or other documents (including documents stored in non-legible form) referred to in paragraph (3)(a)(ii) are being stored or kept in any dwelling,

may issue a warrant authorising a named authorised officer accompanied by such other authorised officers, members of An Garda Síochána, or persons with expertise relating to any relevant thing, as may be necessary, at any time or times, within one month of the date of issue of the warrant, to enter the dwelling and perform any of the functions of an authorised officer under paragraph (3)(b) to (r).

(7) Where an authorised officer, upon reasonable grounds, believes that a person has committed an offence under these Regulations, he or she may require that person to provide him or her with his or her name, date of birth, and the address at which he or she ordinarily resides, and to produce corroborative evidence of same.

(8) Where an authorised officer has reasonable cause to suspect that—

- (a) an offence is being or has been committed under these Regulations, or
- (b) evidence of an offence or contravention may be, is or has been on or in any premises,

the authorised officer may, in addition to the powers exercisable by him or her under paragraph (3)—

- (i) search a person, where the authorised officer considers it necessary,
- (ii) seize and detain a vessel, vehicle, container, equipment, machinery or relevant thing,
- (iii) dispose of a relevant thing, or require the owner or person in charge of or in possession of a relevant thing to deal with or dispose of it (or any other thing used in connection with, or that may have been in contact with, the relevant thing) in a manner that the authorised officer thinks fit.

(9) An authorised officer may dispose of, or cause to be disposed, a relevant thing, or a sample of a relevant thing, taken under this Regulation, in such manner and at such place as the authorised officer considers appropriate in the circumstances of the case.

(10) The costs (including ancillary costs) of any seizure, detention or disposal carried out by the Authority under paragraph (8) or (9) shall be recoverable as a simple contract debt in any court of competent jurisdiction from the relevant manufacturer, distributor, importer or other person responsible for the item seized, detained or disposed of.

(11) A statement or admission made by a person pursuant to a requirement under paragraph (3) shall not be admissible as evidence in proceedings brought against that person for an offence (other than an offence under these Regulations for failing to give information or giving false information).

(12) Nothing in this Regulation shall be taken to compel the production by any person of a document which he or she would be exempt from producing in proceedings in a court on the ground of legal professional privilege.

Taking of samples

29. (1) Subject to paragraph (3), where an authorised officer purchases or takes without payment a sample of a relevant thing pursuant to Regulation 28(3)(i) he or she may, where practicable—

- (a) take multiple samples,
- (b) place each sample into separate containers, and
- (c) forthwith seal and mark each such container in such a manner as to identify it as part of the sample taken by the authorised officer.

(2) Where the authorised officer has, sealed and marked a sample of a relevant thing in accordance with paragraph (1), he or she shall—

- (a) offer one of the sealed containers to the owner or the person for the time being in charge or possession of the relevant thing from which the sample concerned was taken,
- (b) retain one of the sealed containers, and
- (c) forward, or cause to be forwarded, one of the sealed containers for test, examination or analysis of the sample concerned by an approved examiner or where appropriate for examination by the Authority.

(3) Where a relevant thing is contained in a container and, for whatever reason, it is not practicable to take multiple samples, an authorised officer, who wishes to take samples of such relevant things for the purposes of any tests, examination or analysis may take possession of 3 such containers belonging to the same batch or lot, and each such container shall be deemed to be part of a sample for the purposes of paragraph (1), and the provision of paragraphs (1) and (2) shall apply thereto accordingly.

(4) Where an authorised officer purchases or takes without payment a relevant thing pursuant to Regulation 28(3)(j) he or she may, where practicable—

- (a) place the relevant thing in a container,
- (b) forthwith seal and mark the container in such a manner as to identify it as a relevant thing taken pursuant to that subparagraph, and
- (c) forward, or cause to be forwarded, the sealed container for test, examination or analysis of the relevant thing by an approved examiner.

Production order

30. (1) For the purpose of investigating compliance with the EU Regulation and these Regulations, an authorised officer may apply to a judge of the District Court for an order under this Regulation (“production order”) in relation to making available any particular material or material of a particular description.

(2) On an application under paragraph (1), the judge, if satisfied—

- (a) that there are reasonable grounds for suspecting that the person on whom the order is to be served has the material concerned in his or her possession or has access to such material, and
- (b) that the material concerned is required for the purpose of such investigation,

may order that the person shall—

- (i) produce the material to the authorised officer so that he or she may take it away, or
- (ii) give the authorised officer access to it within a period to be specified in the order.

(3) The period to be so specified shall be one week, unless it appears to the judge that another period would be appropriate in the particular circumstances of the case.

(4) An order under this Regulation in relation to material in any place may, on the application of the authorised officer concerned, require any person who appears to the judge to be entitled to grant entry to the place to allow the authorised officer to enter it to obtain access to the material.

(5) Where a person required under paragraph (4) to allow an authorised officer to enter a place does not allow the authorised officer to do so, the person shall be treated as if he or she is in breach of a warrant issued under Regulation 28(6) authorising him or her to search the place and any person found there.

(6) Where material to which a production order relates consists of information stored electronically, the order shall have effect as an order to produce the material, or to give access to it, in a form in which it is visible and legible and in which it can be taken away.

(7) A production order —

- (a) in so far as it may empower an authorised officer to take away a document or to be given access to it, shall authorise him or her to make a copy of it and to take the copy away,
- (b) shall not confer any right to production of, or access to, any material subject to legal privilege, and
- (c) shall have effect notwithstanding any other obligation as to secrecy or other restriction on disclosure of information imposed by statute or otherwise.

(8) Any material taken away by an authorised officer under this Regulation may be retained by him or her for use as evidence in any proceedings.

(9) A judge of the District Court may vary or discharge an order under this Regulation on the application of any person to whom an order under this Regulation relates or an authorised officer.

Quarantine notice

31. (1) Where an authorised officer, other than an authorised officer who is an officer of Customs and Excise, is of the opinion that—

- (a) there is a potential non-compliance with a requirement of the EU Regulation in relation to a device or relevant thing, or
- (b) a device or relevant thing has the potential to pose a serious risk to human health,

the authorised officer may, with the approval of the chief executive of the Authority, or another officer of the Authority designated by the chief executive of the Authority for that purpose, serve, or arrange to have served, on the manufacturer, authorised representative, distributor, health institution, economic operator, notified body or other person(s) concerned a notice (“quarantine notice”) in accordance with paragraph (2).

(2) A quarantine notice shall—

- (a) be signed by the authorised officer issuing it, or the officer consulted in accordance with paragraph (1),
- (b) state the reason why quarantine is being applied or provide a justification for the quarantine action,
- (c) specify—
 - (i) the provision or provisions of the EU Regulation with which there is non-compliance and the matters giving rise to the non-compliance, or
 - (ii) the serious risk to human health posed by the device or relevant thing, and
- (d) direct the person on whom the quarantine notice is served to ensure that the device or relevant thing is not made available on the market or put into service until all the necessary conditions

for the device or relevant thing to be compliant have been met or the device or relevant thing no longer poses a serious risk to human health, as appropriate.

(3) The approval referred to in paragraph (1) may be given orally or in writing and if given orally shall be recorded in writing as soon as practicable.

(4) Save in the case of a quarantine notice which takes effect immediately when it is received by the person on whom it is served, a quarantine notice shall give the person on whom it is served a reasonable period within which he or she may put forward his or her viewpoint on the notice or appeal the notice.

(5) Where appropriate, the Authority shall, without delay, provide a copy of the quarantine notice to the person(s) responsible for regulatory compliance of the manufacturer or the authorised representative designated in respect of the relevant device or relevant thing, and where necessary any importer(s) or distributor(s).

(6) Subject to paragraph (7)(a), a quarantine notice shall give the person on whom it is served a reasonable period within which he or she may put forward his or her viewpoint on the notice or appeal the notice.

(7) A quarantine notice shall take effect—

- (a) where required, and where the quarantine notice so declares, immediately when the notice is received by the person on whom it is served, or
- (b) in any other case—
 - (i) where no appeal is taken against the quarantine notice, on expiration of the period referred to in paragraph (6), or
 - (ii) where an appeal is taken, on the day next following the day on which the quarantine notice is confirmed on appeal or the appeal is withdrawn or on the expiration of the period referred to in paragraph (6), whichever is the later.

(8) The chief executive of the Authority, or another officer of the Authority designated by the chief executive of the Authority for that purpose, may, for stated reasons, revoke or vary a quarantine notice issued by an authorised officer appointed by the Authority.

(9) In the event of non-compliance by the person on whom a quarantine notice has been served, an authorised officer, other than an authorised officer who is an officer of Customs and Excise, shall, with the approval of the chief executive of the Authority, or another officer thereof designated by the chief executive of the Authority for that purpose, take whatever measures are considered necessary to ensure compliance with the quarantine notice, including the seizure, detention and destruction of the device in question or the making of any arrangements for such seizure, detention and destruction.

(10) This Regulation shall not operate to prevent or restrict—

- (a) the entitlement of the Authority to take other action to secure compliance with the EU legislation and these Regulations by a person, or

- (b) the bringing or prosecuting of any proceedings for an offence under these Regulations.

Compliance notice

32. (1) Where an authorised officer, other than an authorised officer who is an officer of Customs and Excise, is of the opinion that there is non-compliance with a requirement of the EU Regulation, the authorised officer may, following consultation with another officer of the Authority designated by the chief executive of the Authority for that purpose, serve, or arrange to have served, on the person concerned a notice (“compliance notice”) in accordance with paragraph (2).

(2) A compliance notice shall—

- (a) be signed by the authorised officer issuing it, or the officer consulted in accordance with paragraph (1),
- (b) identify the requirement(s) of the EU Regulation with which there has not been compliance,
- (c) identify the corrective actions to be taken,
- (d) where appropriate, direct the person on whom the compliance notice is served to inform, without delay, the manufacturer, authorised representative, distributor(s) or importer(s) of the device concerned of the corrective actions to be taken, and
- (e) give a time period, commensurate with the nature of the risk, within which the person on whom the compliance notice is served must take the corrective actions identified pursuant to subparagraph (c).

(3) Where appropriate, the authorised officer shall, without delay, provide a copy of the compliance notice to the person(s) responsible for regulatory compliance of the manufacturer or the authorised representative designated in respect of the device concerned and where necessary any importer(s) or distributor(s).

(4) Subject to paragraph (5)(a), a compliance notice shall give the person on whom it is served a reasonable period within which he or she may put forward his or her viewpoint on the notice or appeal the notice.

(5) A compliance notice shall take effect—

- (a) where required, and where the compliance notice so declares, immediately when the notice is received by the person on whom it is served, or
- (b) in any other case—
 - (i) where no appeal is taken, on expiration of the period referred to in paragraph (4), or
 - (ii) where an appeal is taken, on the next day following the day on which the notice is confirmed on appeal or the appeal is

withdrawn or on the expiration of the period referred to in paragraph (4), whichever is the later.

(6) The chief executive of the Authority or another officer of the Authority designated by the chief executive of the Authority for that purpose may, for stated reasons, revoke or vary a compliance notice issued by an authorised officer appointed by the chief executive of the Authority.

(7) In the event of non-compliance with a compliance notice by the person on whom a compliance notice has been served, an authorised officer shall, with the approval of the chief executive of the Authority, or another officer thereof designated by the chief executive of the Authority for that purpose, take whatever measures are considered necessary to ensure compliance with the compliance notice, including the seizure, detention and destruction of the relevant thing or device in question or the making of any arrangements for such seizure, detention and destruction.

(8) This Regulation shall not operate to prevent or restrict—

- (a) the entitlement of the Authority to take other action to secure compliance with the EU Regulation and these Regulations by a person, or
- (b) the bringing or prosecuting of any proceedings for an offence under these Regulations.

Prohibition order

33. (1) Where the Authority is of the opinion that—

- (a) there is non-compliance with a requirement of the EU Regulation,
- (b) a device presents an unacceptable risk to the health or safety of patients, users or other persons, or to other aspects of the protection of public health, or
- (c) a person has failed to comply with a compliance notice.

the Authority may serve, or arrange to have served, on the person concerned an order (“prohibition order”) in accordance with paragraph (2).

(2) A prohibition order shall—

- (a) be signed by the chief executive officer of the authority or another officer thereof authorised for that purpose by the chief executive officer,
- (b) state that the Authority is of the opinion that a particular consignment, group, category, batch or lot of the device concerned is not in conformity with the EU Regulation,
- (c) specify the provision or provisions of the EU Regulation with which the device is not in compliance and the matters giving rise to the non-compliance,
- (d) where relevant, identify the part or parts of the compliance notice with which there has not been compliance, and

- (e) direct the person on whom the prohibition order is served to ensure that—
 - (i) the device is not to be placed on the market, made available on the market or put into service until such time as all appropriate measures, including corrective measures, have been taken to bring the device into conformity with the EU Regulation,
 - (ii) the placing on the market, making available on the market or putting into service of the device is restricted or made subject to particular requirements,
 - (iii) the device is prohibited from being placed on the market, made available on the market or put into service
 - (iv) the device is withdrawn or recalled from the market within a specified time-limit, or
 - (v) the device is destroyed within a specific time limit and in a manner prescribed by the Authority or is detained for the purposes of destruction by an authorised officer.

(3) The approval referred to in paragraph (1) may be given orally or in writing and if given orally shall be recorded in writing as soon as practicable.

(4) Where appropriate, the Authority shall, without delay, provide a copy of the prohibition order to the person(s) responsible for regulatory compliance of the manufacturer/authorised representative designated in respect of the device concerned, and where necessary any importer(s) or distributor(s).

(5) A prohibition order shall take effect—

- (a) where the prohibition order so declares, immediately the order is received by the person on whom it is served, or
- (b) in any other case—
 - (i) where no appeal is taken against the prohibition order, on the expiration of the period during which such an appeal may be taken or the day specified in the prohibition order as the day on which it is to come into effect, whichever is the later, or
 - (ii) where an appeal is taken, on the day next following the day on which the prohibition order is confirmed on appeal or the appeal is withdrawn or the day specified in the prohibition order as the day on which it is to come into effect, whichever is the later.

(6) The bringing of an appeal against a prohibition order which is to take effect in accordance with paragraph (5)(a) shall not have the effect of suspending the operation of the prohibition order, but the appellant may apply to the Circuit Court to have the operation of the prohibition order suspended until the appeal is disposed of and, on such application, the Circuit Court may, if it thinks it proper to do so, direct that the operation of the prohibition order be suspended until the appeal is disposed of.

(7) In the event of non-compliance by the person on whom the prohibition order has been served, an authorised officer shall, with the approval of the chief executive of the Authority or other officer designated in that behalf by the chief executive of the Authority, take whatever steps are considered necessary to ensure compliance with the direction given under paragraph (2)(e) and this may include the seizure, detention and destruction of the devices in question or the making of any arrangements for such seizure, detention and destruction.

(8) This Regulation shall not operate to prevent or restrict—

- (a) the entitlement of the Authority to take other action to secure compliance with the EU legislation and these Regulations by a person, or
- (b) the bringing or prosecuting of any proceedings for an offence under these Regulations.

(9) The chief executive of the Authority may, for stated reasons, revoke or vary a prohibition order made in accordance with this Regulation and the Authority shall be notified at the next available meeting of the Authority of any such revocation or variation and the reasons therefore.

(10) Where a prohibition order has been served and activities are carried on in contravention of the prohibition order, the High Court may, on the application of the Authority, by order prohibit the continuance of the activities.

(11) An application to the High Court for an order under paragraph (10) shall be by motion and the Court, when considering the matter, may make such interim or interlocutory order (if any) as it considers appropriate and the order by which an application under paragraph (10) is determined may contain such terms and conditions (if any) as to the payment of costs as the Court considers appropriate.

Appeals from quarantine notices and compliance notices

34. (1) A person may appeal a quarantine notice or compliance notice served on him or her in accordance with appeals procedures provided in guidelines published by the Authority.

(2) The Authority shall inform a person of his or her right of appeal, and the applicable time limits, when serving him or her with a quarantine notice or compliance notice.

(3) A person who is aggrieved by a decision on an appeal under paragraph (1) may appeal that decision to the District Court in the district court district in which the quarantine notice or compliance notice was served, not later than 7 days after the decision concerned.

(4) The bringing of an appeal under this Regulation against a notice which is to take effect immediately on service shall not have the effect of suspending the operation of the notice, but the appellant may apply—

- (a) in the case of an appeal under paragraph (1), in accordance with the procedures referred to therein, or
- (b) in the case of an appeal under paragraph (3), to the District Court,

to have the operation of the quarantine notice or compliance notice concerned suspended until the appeal is disposed of.

(5) The District Court shall, upon an appeal under paragraph (3), do one of the following:

- (a) affirm the notice concerned;
- (b) direct the Authority to withdraw the notice concerned; or
- (c) direct the Authority to modify the notice concerned.

(6) The Authority shall comply with a direction under paragraph (5)(b) or (c).

(7) Where on the hearing of an appeal under paragraph (3) a notice is affirmed, notwithstanding Regulation 31(7) or 32(5), as applicable, the judge of the District Court by whom the appeal is heard may, on the application of the appellant, suspend the operation of the notice for such period as in the circumstances of the case the district judge considers appropriate.

(8) A person who appeals under paragraph (3) or who applies for a direction under paragraph (7) shall at the same time notify the Authority of the appeal or application and the grounds for the appeal or application and the Authority shall be entitled to appear, be heard and adduce evidence on the hearing of the appeal or application.

(9) A decision of the District Court on an appeal under paragraph (3) shall be final.

Appeals from prohibition orders

35. (1) A person may appeal a prohibition order served on him or her, to the Circuit Court in the circuit in which the order was served, not later than 7 days after the service of the notice or order concerned.

(2) The bringing of an appeal under this Regulation against a prohibition which is to take effect immediately on service shall not have the effect of suspending the operation of the order, but the appellant may apply to the Circuit Court to have the operation of the order suspended until the appeal is disposed of and, on such application, the Court may, if it thinks it proper to do so, direct that the operation of the order be suspended until the appeal is disposed of.

(3) The Circuit Court shall, upon an appeal under this Regulation, do one of the following:

- (a) affirm the order concerned;
- (b) direct the Authority to withdraw the order concerned; or
- (c) direct the Authority to modify the order concerned.

(4) The Authority shall comply with a direction under paragraph (3)(b) or (c).

(5) Where on the hearing of an appeal under this Regulation an order is affirmed, notwithstanding paragraph (5) of Regulation 33, as applicable, the judge of the Circuit Court by whom the appeal is heard may, on the application

of the appellant, suspend the operation of the order for such period as in the circumstances of the case the judge considers appropriate.

(6) A person who appeals under this Regulation or who applies for a direction under paragraph (5) shall at the same time notify the Authority of the appeal or application and the grounds for the appeal or application and the Authority shall be entitled to appear, be heard and adduce evidence on the hearing of the appeal or application.

(7) A decision of the Circuit Court on an appeal under this Regulation shall be final, save that, by leave of the Court an appeal from the decision shall lie to the High Court on a specified question of law.

Destruction and disposal

36. Where—

- (a) any relevant thing, book, record, document, or premises is detained under this Part, but is not the subject of a prosecution, and
 - (i) no claim is made for its return within 28 days of notice in writing being given of the intention to destroy or dispose of same, or render same inoperable, or
 - (ii) the supplier of the relevant thing is not reasonably identifiable, or
- (b) a device being supplied at a distance by information society services in contravention of the EU Regulation is detained,

an authorised officer may destroy or dispose of, or render inoperable, such thing, book, record, document, premises or device, in the interest of the protection of public health.

Suspension, restriction and withdrawal of designation of notified bodies

37. Where the Authority has ascertained that a notified body—

- (a) no longer meets the applicable requirements set out in the EU Regulation,
- (b) is failing to fulfil its obligations, or
- (c) has not implemented necessary corrective measures,

the Authority shall suspend, restrict or fully or partially withdraw the notified body's designation, in accordance with Article 46(4) of the EU Regulation.

Service of notices and orders

38. (1) A notice or order served or given by or under this Part shall be addressed to the person concerned and served or given in one of the following manners:

- (a) by addressing it to the person by name and delivering it to him or her;
- (b) by leaving it at the address at which the person ordinarily resides or carries on business;
- (c) by sending it by post in a prepaid registered letter addressed to the person at the address at which he or she ordinarily resides or carries on business;
- (d) if an address for the service of notices has been furnished by the person, by leaving it at, or sending it by prepaid registered post addressed to him or her to, that address;
- (e) where the address at which the person ordinarily resides or carries on business cannot be ascertained by reasonable inquiry and notice is required to be served on, or given to, him or her in respect of any premises by delivering it to a person over the age of 16 years resident in or employed on the premises, or by affixing it in a conspicuous position on or near the premises; or
- (f) by sending it by means of electronic mail to a device or facility for the reception of electronic mail where such an electronic mail address has been furnished by the person, but only if the sender's facility for the reception of electronic mail generates a message confirming a receipt of the electronic mail confirming successful transmission of the notice.

(2) Where the name of the person concerned cannot be ascertained by reasonable inquiry, a notice or order under this Part may be addressed to "the occupier", "the owner" or "the person in charge", as the case may be.

(3) For the purposes of this Regulation, a company within the meaning of the Companies Act 2014 (No. 38 of 2014) shall be deemed to be ordinarily resident at its registered office, and every other body corporate and every unincorporated body shall be deemed to be ordinarily resident at its principal office or place of business.

(4) A person shall not at any time during the period of 3 months after a notice is affixed under paragraph (1)(e) remove, damage or deface the notice without lawful authority.

Transitional provisions

40. (1) Notwithstanding the provisions of these Regulations—

- (a) a person is not guilty of an offence by reason of relying upon a certificate issued by a notified body in accordance with Directives 90/385/EEC and 93/42/EEC (other than Annex 4 to Directive 90/385/EEC or Annex IV to Directive 93/42/EEC) prior to 25 May 2017 provided that the period indicated on the certificate has not expired,
- (b) until 27 May 2022, a person is not guilty of an offence by reason of relying upon a certificate issued by a notified body in accordance with Annex 4 to Directive 90/385/EEC or Annex IV to Directive 93/42/EEC prior to 25 May 2017 provided that the period indicated on the certificate has not expired,
- (c) until 27 May 2024, a person is not guilty of an offence by reason of relying upon a certificate issued by a notified body in accordance with Directives 90/385/EEC and 93/42/EEC on or after 25 May 2017, provided that the period indicated on the certificate has not expired and less than five years have passed since its issuance,

- (d) a person is not guilty of an offence by reason of placing on the market or putting into service, on or before 26 May 2024, a device which is a class I device pursuant to Directive 93/42/EEC, for which the declaration of conformity was drawn up prior to 26 May 2021 and for which the conformity assessment procedure pursuant to the EU Regulation requires the involvement of a notified body, or which has a certificate that was issued in accordance with Directive 90/385/EEC or Directive 93/42/EEC and that is valid by virtue of Article 120(2) of the EU Regulation, provided that—
 - (i) from 26 May 2021 the device continues to comply with either of those Directives,
 - (ii) there are no significant changes in the design and intended purpose of the device, and
 - (iii) the requirements of the EU Regulation relating to post-market surveillance, market surveillance, vigilance, registration of economic operators and of devices are complied with in place of the corresponding requirements in those Directives,
 - (e) until 26 May 2025, a person is not guilty of an offence by reason of making available on the market or putting into service a device lawfully placed on the market pursuant to Directives 90/385/EEC and 93/42/EEC prior to 26 May 2021, or a device placed on the market from 26 May 2021 pursuant to Article 120(3) of the EU Regulation,
 - (f) a person is not guilty of an offence by reason of placing on the market or putting into service a device manufactured utilising derivatives of tissues or cells of human origin which are non-viable or are rendered non-viable, which device has been legally placed on the market or put into service in accordance with the rules in force in the State prior to 26 May 2021,
 - (g) a sponsor is not guilty of an offence by reason of the continuance of a clinical investigation which was started in accordance with Article 10 of Directive 90/335/EEC or Article 15 of Directive 93/42/EEC before 26 May 2021, provided that the reporting of serious adverse events and device deficiencies is carried out in accordance with the EU Regulation.
- (2) Notwithstanding Regulation 39, until the Eudamed functionality date—
- (a) the manufacturer's undertaking in—
 - (i) the seventh indent under paragraph 3.1 of Schedule 2,
 - (ii) paragraph 3 of Schedule 4,
 - (iii) the eighth indent under paragraph 3.1 of Schedule 5,
 - (iv) the eighth indent under paragraph 3.1 of Schedule 6, and
 - (v) paragraphs 4 and 5 of Schedule 7,

to the Regulations of 1994 (as amended by Regulation 29 of the European Communities (Medical Devices) (Amendment) Regulations 2009),

- (b) Article 28 (inserted by Regulation 4 of the European Communities (Medical Devices) (Amendment) (No. 2) Regulations 2020) of the Regulations of 1994,
- (c) the manufacturer's undertaking in—
 - (i) the fifth indent under paragraph 3.1 of Schedule 2,
 - (ii) paragraph 4 of Schedule 4,
 - (iii) the sixth indent under paragraph 3.1 of Schedule 5, and
 - (iv) paragraph 5 of Schedule 6,

to the European Communities (Active Implantable Medical Devices) Regulations 1994 (as amended by Regulation 17 of the European Communities (Active Implantable Medical Devices) (Amendment) Regulations 2009),

- (d) Article 22 (inserted by Regulation 4 of the European Communities (Active Implantable Medical Devices) (Amendment) Regulations 2020) of the European Communities (Active Implantable Medical Devices) Regulations 1994
- (e) Articles 4(8) and 10, Schedule 6, paragraphs 1, 2.2 and 3.2 and Schedule 7 (as amended by Regulations 14 and 17 of the European Communities (Active Implantable Medical Devices) (Amendment) Regulations 2009) of the European Communities (Active Implantable Medical Devices) Regulations 1994 in relation to notification procedures and the provision and exchange of documentation regarding clinical investigations
- (f) Articles 5(8) and 16 and Schedules 8 and 10 (as amended by Regulations 26 and 29 of the European Communities (Medical Devices) (Amendment) Regulations 2009) of the Regulations of 1994,

continue to apply as if they had not been revoked, for the purposes of information and data exchange only, and a person who fails to comply with same is guilty of an offence.

(3) Notwithstanding Regulation 39—

- (a) Article 17 (as amended by Regulation 9 of the European Communities (Medical Devices) (Amendment) Regulations 2001) of the Regulations of 1994, and
- (b) Article 11 (as amended by Regulation 15 of the European Communities (Active Implantable Medical Devices) (Amendment) Regulations 2009) of the European Communities (Active Implantable Medical Devices) Regulations 1994,

continue to apply, as if they had not been revoked, in respect of—

- (i) devices granted CE Marking approval thereunder and made available on the market or put into service up to 27 May 2025, and
- (ii) the means by which information is to be exchanged with and notifications to the Authority until Eudamed is functional.

(4) Notwithstanding Regulation 39, as regards the devices referred to in paragraph (1)(d) and (e), the Regulations of 1994 and the European Communities (Active Implantable Medical Devices) Regulations 1994, as amended, continue to apply until 27 May 2025 to the extent necessary for the application of Articles 120(3) and (4) of the EU Regulation, as if those Regulations had not been revoked.

(5) For the purposes of paragraphs (1) to (4), notwithstanding Regulation 39, Regulation 2 of the European Communities (Medical Devices) (Amendment) Regulations 2001 and the enforcement provisions of the Regulations of 1994 and the European Communities (Active Implantable Medical Devices) Regulations 1994, as amended, continue to apply, as if they had not been revoked, for the periods referred to in those paragraphs.

(6) Notwithstanding the provisions of these Regulations, until 6 months after the Eudamed functionality date, the offences in—

- (a) Regulation 16(1)(z), (aa), (bb), and (ll),
- (b) Regulation 17(e) and (f),
- (c) Regulation 19(j) and (k),
- (d) Regulation 20(c) and (d)
- (e) Regulation 21(p), and
- (f) Regulation 25(o),

do not apply, in so far as they apply to using Eudamed as the mechanism for information exchange.

(7) Notwithstanding the provisions of these Regulations, until 18 months after the Eudamed functionality date, the offences in—

- (a) Regulation 16(1)(cc) and (dd), and
- (b) Regulation 21(r),

do not apply.

(8) Notwithstanding the provisions of these Regulations—

- (a) until 26 May 2023, for class IIa and class IIb devices, and
- (b) until 26 May 2025, for class I devices,

the offence in Regulations 16(1)(x) does not apply.

(9) Notwithstanding the provisions of these Regulations, with regard to reusable devices that are required to bear the UDI carrier on the device itself—

- (a) until 26 May 2023, for implantable devices and class III devices,
- (b) until 26 May 2025, for class IIa and class IIb devices, and

(c) until 26 May 2027, for class I devices,
the offence in Regulation 16(1)(x) does not apply.

(10) In this Regulation—

“Directive 90/385/EEC” means Council Directive 90/385/EEC of 20 June 1990⁸;

“Directive 93/42/EEC” means Council Directive 93/42/EEC of 14 June 1993⁹;

“Eudamed functionality date” means the date of publication of the notice referred to in Article 24(3) of the EU Regulation.

STEPHEN DONNELLY,
Minister for Health.

EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations—

- confer functions on the Health Products Regulatory Authority in relation to medical devices,

- lay down requirements for health institutions in relation to making information available to patients who have been implanted with implantable devices,

- set out the national position with regard to reprocessing of single-use devices to make them suitable for further use,

- provide for various matters in relation to clinical investigations of medical devices, and
