#### **Independent Auditor's Report**

**To the Dental Council** 

I have audited the annual financial statements as set out on pages 3 to 6 for the year ended 31 December 2020.

#### Responsibilities of the Council and the Local Government Auditor

The Council is responsible for the maintenance of all accounting records including the preparation of the Annual Financial Statements in accordance with section 21(1) of the Dentists Act, 1985. It is my responsibility, based on my audit, to form an independent opinion on the statements and to report my opinion to you.

#### **Basis of Opinion**

I conducted my audit in accordance with the Code of Audit Practice, as prescribed in section 117 of the Local Government Act, 2001. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the annual financial statement. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Council's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide sufficient evidence to give reasonable assurance that the annual financial statement is free from material misstatement, whether caused by fraud or error.

#### Opinion

In my opinion the annual financial statements presents fairly the financial position of the Dental Council at 31 December 2020 and its income and expenditure for the year then ended.

#### **Accounting Policies**

\*

ŧ

#### 1. Basis of Preparation

The financial statements are prepared on an income and expenditure basis under the historical cost convention.

#### 2. Fees

Fee income represents the annual subscription fee and first time registration fees for registered dentists and auxiliary dental workers. All fee income received is generally accounted for in the year in which it is received. A provision is made for retention fee income received in December for the subsequent year.

#### 3. Fixed Assets

Fixed assets are stated at cost less accumulated depreciation.

The Council's premises are not depreciated. Renovations and alterations to the premises are charged to the income and expenditure account in the year in which the expenditure is incurred.

#### 4. Superannuation

Section 19 of the Dentists Act, 1985 applies the terms of the Local Government (Superannuation) Acts 1956 and 1980 to the Council and its officers and servants subject to any modifications which may, with the consent of the Minister for the Environment, Community and Local Government, as determined by the Minister for Health.
